There was a 1% settlement payment, retro 7/1/19 – 5/31/21, for anyone who was paid as a Unit 18 lecturer during that time.

Labor Relations sent an email to each of the affected employees.
- The “from” was either Labor Relations or Terri Winbush.

Payment was issued as a lump-sum payment by May 14, 2022.
The Department of Education requires that we track that a student has commenced academic activity in a class for that class to be counted towards eligibility for Title IV aid.

If we don’t certify student academic activity every quarter - our campus will be fined.

Academic activity includes:

- Attending class
- Submitting an assignment
- Taking a quiz or an exam
- Participating on a discussion board, or
- Talking with the instructor about the class or subject matter

Starting in Summer Session - The campus has created 2 ways that faculty can certify the students in their classes:

1. Faculty can assign a #FinAid activity in Canvas to their class. When students complete the activity it meets the requirement. The assignment does not need to be graded.
2. Faculty can use a new tool, the Academic Activity Tracking System. A class roster displays and faculty can mark individual students or their entire class.

If students are not certified, they may lose their financial aid.

More details to come - Summer Session will put updates in the Scoop.
What's New for 2022?

Impact of New Unit 18 Contract

**Academic Term Count**
- Summer Session teaching will count as one credit towards Continuing status provided:
  - the Lecturer has not taught all three quarters in the previous academic year and;
  - the course is in the same department, program or unit and;
  - the Lecturer requests such credit.

The Lecturer has to ask if they can count Summer Session as one quarter of credit.

Requests will be managed by the academic departments - not Summer Session.
Some Lecturers will be eligible for 403b contributions (3.5% from employee, 3.5% UC employer match)

Change in payroll - We will now use the **ACS Earn Code** for Lecturers.

UCPath will determine 403b eligibility by using ACS.

**IMPORTANT** - If reusing previous Lecturer positions, you MUST change the funding to use **ACS Earn Code**.

- Less workload for staff

Global Seminar courses will now pay 8.5% annual salary per course (instead of $7,500 fixed payment per course)
How the Financials Work - Funding to Departments

Special Handling for FY Appointees

Reduce FTE on current FY appointment to fit a 50% (or 100%) Summer Session teaching appointment during the July or August pay period.

Alternatively, accrued vacation time can be used.

If postdoc is here on a visa, check with the International Faculty & Scholars Office (IFSO).

Certain visas do not allow teaching.
Special Cases - Adjunct Professors

Can teach Summer Session on their current title/job.

However - Special Handling is required if they are without salary.

You need to change the existing Adj Prof job for the Summer Session pay, and then change it back.

1. Remove the UCWOS comp rate and make it a 0 FTE job
2. After the Summer Session additional pay has processed, you will need to change the title/job back to UCWOS comp rate and the correct FTE.
Special Cases - Faculty Teaching Remotely

The program allowing appointees to work internationally with temporary work agreements expired in December 2021 and will not be continued.

Teaching from a state outside of California means that taxes are different. Departments will need to be sure that the taxation is set-up properly in UCPath. Appointees who are working outside of California are advised to consult with their tax professional about their tax liability for the state where they are working.
Eligible to teach Summer Session with a Visiting Professor job code

If they have a Visiting Prof appointment ending 6/30/22:

- Extend the end date
- Change the FTE to 0

(Otherwise they will get paid from your department and Summer Session.)
NEW - How We Will Process Additional Pay for Faculty & Lecturers
Mass Upload of Additional Pay for Faculty & Lecturers

Step 1 - Summer Session will fill-in mass upload templates with:

- Instructor Names
- Pay Dates
- Earn Codes
- Payment Amounts
- Notes about payments from other departments, suggested spread for payments, etc.

Mass Upload templates will be uploaded to department folders on OneDrive: https://go.ucsd.edu/3cPRUEF. Same folder where your appointment letters are uploaded.
Mass Upload of Additional Pay for Faculty & Lecturers

Step 2 - Academic Departments will fill-in Mass Upload spreadsheet with:

- Job Code
- Employee ID
- Position #
- Notes if the payment suggested by Summer Session needs to be adjusted (like if the faculty is getting other summer salary).

Departments will add **DONE** to the end of the file name and leave on OneDrive: https://go.ucsd.edu/3cPRUEF.
Sample Mass Upload Spreadsheet

Spreadsheets will be in Department OneDrive folders. Different Spreadsheet for each Pay Period.

Earn Codes - as shown on the Mass Upload template

ACS = Ladder-ranks, LSOE/LPSOE, Lecturers in Summer Session

A Few Notes on Short Work Breaks

● Should be used ONLY to bridge students between appointments
● SWB should be used for a maximum of 4 consecutive months
Short Work Breaks

**Example:** Spring appointment ends 6/30 and next appointment does not begin until Summer Session II. You want to put student on a SWB until Summer Session II; Summer Session II starts 08/01, but we’re using pay periods only in UCPath

- **Step 1:** By 6/29, update the Expected Job End Date to 07/31 to accommodate the SWB duration OR through the end of Summer Session II if they will be in the same position (must be **approved locally** by 06/29)
- **Step 2:** Add SWB effective 07/01 with expected return date of 08/01
Additional Pay Mass Upload

- [https://collab.ucsd.edu/x/iS_YBQ](https://collab.ucsd.edu/x/iS_YBQ)
- Associates - highly encouraged for all but not mandatory
- Teaching Assistants - highly encouraged if you have a large quantity
- We have a blank spreadsheet with instructions on Collab. Ultimately, we need:
  - Employee information
  - Position details
  - Pay period dates
  - Pay amount(s)
- You will need to create the Position, hire the student, and update funding ahead of submitting your upload request
- Timing
  - Positions created, people hired, funding added, Google Forms submitted
  - Due Dates:
    - Summer Session 1: 07/01
    - Summer Session 2: 08/01
    - Summer Session 3: Varies (need at least 10 business days prior to applicable payroll deadline)
Additional Pay Mass Upload Info Session

Info Session on Wednesday, June 15 from 10am - 11am

- Walk-through of the spreadsheet
- Time for Q&A

Position Management for Summer v. Academic Year

We recommend having different positions for Summer v. Academic Year due to the changes you need to make (i.e. funding, FTE, etc)

Example:

1. Create Summer Session-specific positions for TAs/Associates who are paid via additional pay with FTE 0 and the appropriate Summer funding information.
2. Hire your TAs/Associates into these “Summer” Positions
3. Terminate from AY Positions or put on SWB during Summer months
4. Freeze “Summer” positions during the AY when students are in their “normal” Positions
