Summer Session Live Chat for Instant Student Communication

Summer Session has a live chat feature as a pop up on our website: summersession.ucsd.edu. We are starting a pilot program to regularly operate this feature so students can access us instantaneously. Hours of operation are being monitored to determine the highest use time. If you have students with summer session questions, please keep this in mind as an option for them to contact us. Otherwise, they can send an email to summer@ucsd.edu or [schedule a one-on-one meeting with one of our staff at this link](#).

Summer 101 – Did You Know?

Did you know that the campus offers a directory of summer programs for students to find extracurricular activities at UC San Diego from June through September?

The Summer Program Finder (SPF) is a resource for continuing and prospective students. SPF is an interactive filtration system to help students identify and contact autonomous programs happening at UCSD over the summer months. SPF filters by Program Type (credit, non-credit), Education Level (high school, undergraduate, etc.), Academic Subject (engineering, business, etc.), Category (athletics, leadership, etc.), Delivery Format (in-person vs. online), Location, and Housing. Check out the Summer Program Finder at <https://summer.ucsd.edu/program-finder/index.html>

Do you want your program listed on the Summer Program Finder? Contact Jonathan Vega at summer@ucsd.edu.
