- Concurrent Hire
- Interlocation Transfer

UC Path for Graduate Student Employment: Choosing the Correct Hire Template

<https://ucsdcollab.atlassian.net/l/cp/6HmP1Nh0>

A Note about Intra-Location Transfers

For Academics, the Intra-Location Transfer template should no longer be used.
 For all transfer cases in which the employee is permanently leaving the first position to start a new position, 2 templates should be used: Concurrent Hire template and Termination template. The hiring department will process a Concurrent Hire template to create a new employee record/add the new job and the old department will process a Termination template (or set an end date with the auto-term box checked) to end the old job.

A remind that each department must obtain pre-approval from the student's academic home department before making any formal offer of employment. Although UCPath does not limit departments hiring students from outside their own department, it continues to be vital that the academic home department is informed of all graduate student financial support, including employment.

Short Work Breaks

Example: Spring appointment ends 6/30 and next appointment does not begin until Summer Session II. You want to put student on a SWB until Summer Session II; Summer Session II first day of classes is 08/07, but we're using pay periods only in UCPath so the first day on pay would be 08/01

- Step 1: By 6/29, update the Expected Job End Date to 07/31 to accommodate the SWB duration OR through the end of Summer Session II if they will be in the same position (must be **approved locally** by 06/29)
- Step 2: Add SWB effective 07/01 with expected return date of 08/01

Tips for Processing Summer Payroll

Graduate Student Employment

Position Management for Summer v. Academic Year

We recommend having different positions for Summer v. Academic Year due to the changes you need to make (i.e. funding, FTE, etc)

Example:

1. Create Summer Session-specific positions for TAs/Associates who are paid via additional pay with FTE 0 and the appropriate Summer funding information.
2. Hire your TAs/Associates into these “Summer” Positions
3. Terminate from AY Positions or put on SWB during Summer months
4. Freeze “Summer” positions during the AY when students are in their “normal” Positions
