INTRODUCTION

This guidebook is designed to provide departments and Summer Session faculty with information regarding the Summer Session program. Please note: the content in this guidebook does not supersede University policies or procedures, and subject to change.

The goal of UC San Diego Summer Session is to integrate course offerings with the academic year curriculum to ensure sufficient lower division and major-specific courses are offered so students can graduate in a timely manner. About ninety-five percent of the 35,000 summer enrollments are UC San Diego students.

Students need and appreciate a rich and varied set of offerings in the summer so they can satisfy requirements in their major, as well as meet general education needs. We are interested in increasing course offerings in order to serve the growing UC San Diego undergraduate student body.

We appreciate your participation and look forward to another successful Summer Session.

Mission Statement
The Mission of UC San Diego Summer Session is to provide:

1. Core courses needed by students for graduation from the University of California.
2. Intensive and innovative academic programs not easily offered during the academic year.
3. Opportunities for ladder-rank faculty to teach in areas of student need, and opportunities for lecturers, visitors, and graduate students to teach, when appropriate.

GENERAL CAMPUS DEPARTMENT CHAIRS
GENERAL CAMPUS PROGRAM DIRECTORS

SUBJECT: Call for Course Proposals – 2023 Summer Session

I write to invite General Campus colleges, departments, and programs to submit proposals for Summer Session 2023 courses. Student interest in Summer Session continues to hold strong, with approximately 14,000 students and more than 35,000 enrollments in 2022. I hope that you will encourage your faculty - both those who have previously taught in summer, as well as those who have not - to teach Summer Session courses that complement the academic year curriculum. Graduate students who have advanced to candidacy are eligible to teach lower division courses as Associates-In.

It is particularly important that units consider offering classes that have waitlists, or are otherwise impacted during the academic year. Making these courses available in summer can help our students improve their time to degree. Please note that as of now, only courses approved as R-courses can be offered remotely (50% or more remote instruction); we will let you know if this changes in the future. Our experience in Summer 2020-22 has been that students welcome this option.

In addition to proposed summer courses, we would also like to know of already approved courses (e.g., Global Seminars, Travel Study, and Summer Success Programs).

There will be two five-week summer sessions: July 3 – August 5, and August 7 – September 9, as well as Special Sessions of three, eight, and ten-weeks. The deadline to submit course proposals is Tuesday, November 15, 2022.

The success of Summer Session depends greatly on the interest and participation of departments and individual faculty. The Academic Affairs Financial Incentive pilot program is under review and the terms of the program will be announced January 2023. Faculty compensation will be calculated at the standard rate of 8.5% of their annual salary.

The Summer Graduate Teaching Scholars Program Call for Nominations will be sent out in a separate email.

The Director of Summer Session will be in touch providing more details for Summer 2023. If you have any questions about the Summer Session program, please contact Director Becky Arce (barce@ucsd.edu).

I hope for wide participation in Summer Session 2023.

John C. Moore
Dean of Undergraduate Education
Building the Summer Session program involves a partnership between Academic Affairs, Summer Session, academic departments, the Registrar, and many other units.

The Call Letter to campus is the official notice to faculty and staff to begin the planning and processing steps.

1. The Registrar sets up the enrollment and registration systems for Summer Session 2023.
2. Academic departments log into the Instructional Scheduling Assistant (ISA) to view their classes from last summer or start with a blank slate to propose new courses.
3. Departments propose their classes and faculty appointments in the ISA and submit to Summer Session for review and approval.
4. The Summer Session Advisory Committee - which consists of the Dean of Undergraduate Education, faculty from each campus division, and representatives from a College, Associated Students, and the Summer Session team – meets in December to review 2023 Summer Session courses.
5. Summer Session notifies academic departments which courses are approved for 2023.
6. Departments schedule days and times for their approved courses within the ISA.
7. Summer Session collaborates with academic departments to hire faculty, build the Schedule of Classes, monitor enrollment, and manage payroll.
8. Departments submit their Summer Session course schedule to the Registrar’s Office in the ISA. (Spreadsheets will no longer be emailed.)
9. After the Schedule Build is submitted to the Registrar’s Office, departments will enter course changes (specifically add/cancel, session change, and instructor change) into the ISA. Changes require Summer Session approval.
10. After enrollment opens, departments will manage waitlists by communicating to students whether or not new sections of waitlisted classes will be added to the Schedule of Classes.

2023 Summer Session Guidebook - v01 – 9/29/22
What’s New for 2023

COURSES

- In-person modality is approved for Summer Session 2023.
- Departments will continue to use the Instructional Scheduling Assistant (ISA) to schedule Summer Session 2023 courses, and use the ISA to submit changes to the Schedule of Classes (add new classes, change instructors, and requests to cancel courses).
- Departments will submit Schedule Build (submission of days and times of classes) to Registrar in the ISA (no longer email spreadsheets to the Registrar).
- Reminder to plan ahead – Campus is closed on the following holidays. Please schedule any make-up sessions before courses are posted on the Schedule of Classes.
  - June 19th – Juneteenth Special Session only
  - July 4th - Independence Day Session 1 & Special Session
  - September 4th - Labor Day Session 2 & Special Session

FACULTY

- No changes to the standard faculty compensation model:
  1. No maximum salary cap. All instructors will earn 8.5% annual salary to teach a 4-Unit course.
  2. No contingent payment for courses with less than 15 students enrolled. (effective summer 2022).
  3. Science Wet Lab Bonuses will continue for specific Chemistry and Biology wet labs.
  4. Success Bonuses for select 2023 Summer Success Programs are pending approval.
- Global Seminar faculty will now receive standard compensation of 8.5% annual salary per course. (Effective Summer Session 2022, no longer paid at a flat $15,000 fixed rate for the program.)
- The Academic Integrity (AI) office has launched a Triton Testing Center (TTC) in Pepper Canyon Hall. The TTC provides a secure space for students who need to take paper-based tests outside of the time and space constraints of the classroom. Faculty can also request proctors for in-class exams. See the AI website for more information.

STUDENTS

- A new Tuition and Fees Calculator is available on the Summer Session website to help students estimate their tuition and campus-based fees for Summer Session courses.
- Summer Session per-unit tuition will increase in alignment with the new cohort tuition model from UCOP.
- Continue using Service Now to answer student tickets and emails sent to summer@ucsd.edu.
  - Closer collaboration with campus partners to provide better service to our students.
- The Summer Session student application is being rewritten with stronger security features.

PROGRAMS

- Summer Success Programs (example: Summer Engineering Institute) will continue for 2023.
- Collaboration with newly appointed Summer Planning Director.
- New Italy exchange program that requires a new operational model to allow students to participate during the academic year and Summer Session.

ADMINISTRATIVE

- The Academic Affairs Incentive Pilot program for department administrative services is pending approval for Summer Session 2023.
- Departments will continue to receive a TA Allocation. Summer Session sent academic departments a TA Survey to better understand their TA hiring processes and challenges.
- Participate in the new ESR Student Information System (SIS) workgroup, and other ESR efforts.
- Keep up with the latest Summer Session news in the Scoop.
Stay up-to-date with deadline reminders and any updates by subscribing to The Summer Scoop – a weekly newsletter sent out by the Summer Session office. Only @ucsd.edu emails can subscribe. View past versions of The Summer Scoop on the Summer Session website. Click here to subscribe.

2023 Session Dates

All courses offered during the summer term for summer session credit are required to be scheduled in one of the following sessions. These dates are approved by the Office of the Registrar. Low enrollment notification requires a decision if a course is to be cancelled to allow faculty and students to make other plans for summer.

Scheduling courses for Summer Session follows a different process than Fall, Winter and Spring Quarters.

- Academic departments propose courses they want to offer in Summer Session.
- Summer Session approves courses with input from the Summer Session Advisory Committee.
- Summer Session, the Registrar, and Academic departments work together to build the Summer Session Schedule of Classes.

Course Proposal Process
Departments will submit course proposals to Summer Session using the Instructional Scheduling Assistant (ISA).

**Instructional Scheduling Assistant (ISA)**

**What is the ISA?**
The ISA is a web-based application for departments, divisions and units to improve the class scheduling process. The ISA was developed as part of the process improvement effort across campus.

**Who can use the ISA?**
- Department schedulers use the ISA to schedule their Fall/Winter/Spring and Summer Session courses.
- Departments & faculty can use the ISA to manage instructor scheduling preferences and teaching acknowledgements.

**Getting Started with the ISA**
The ISA is available to all departments and programs at the following link:
http://instructionalscheduling.ucsd.edu/

Training documentation is available within the ISA in the upper right-hand user menu.
1. Summer Session will email departments from the ISA, along with the course scheduling documents listed below:
   a. Summer Session Guidebook 2023
   b. ISA Quick Start Guide
   c. 5-Year Enrollment History Report 2017-2021 *(2018-2022 coming soon)*
      https://summersession.ucsd.edu/_files/Enrollment Snapshot/Five Year Course Enrollment History.pdf

2. Courses that were proposed to Summer Session within the ISA in 2022 are already in the ISA. Departments will use the ISA to modify their 2022 Proposed Courses as needed to create their Summer Session 2023 proposed course offerings. (Historically, 90% of Summer Session courses repeat.) Please use the Course Scheduling Documents to help plan your summer course offerings.

3. Departments will use the ISA to submit their proposed courses to Summer Session by **November 15, 2022**.
   a. Note the ISA will prompt you to acknowledge that your Department Chief Administrative Officer (formerly “MSO”) and Department Chair (Academic Departments), Provost (College Programs), or Divisional Dean (Interdisciplinary Programs) have endorsed your proposed courses. Email notifications will be sent accordingly when courses are approved by Summer Session.

4. **Tips for Successful Summer Session Courses**
   - “Topic” required for special topics classes. (Ex. MUS15 “History of the Beatles” )
   - Sub term is required for classes scheduled in Special Session. *(Refer to 2023 Special Session dates.)*
   - Courses with waitlists in Fall, Winter, and Spring quarters should be offered in Summer Session.
   - **Check the 5-Year Report** to identify courses with high student demand in summer. Keep in mind the differences between in-person (prior to 2020) and remote (2020-2022) student enrollment.

4. The Summer Session Advisory Committee (SSAC) will meet in December 2022 to review and approve all Summer Session 2023 courses.
   a. SSAC contains faculty representatives from each division, student representatives from the Associated Students, and staff from Summer Session, Academic Affairs, and Academic Advising.
   b. Criteria for course selection includes enrollment history and programmatic need.
   c. If a course has a history of low enrollment, departments are asked for a plan of how they will increase enrollment to meet a minimum of 15 students per course.

5. After Summer Session approves proposed courses, academic departments will log into the ISA to see which courses have been approved and denied.

6. A preview of approved Summer Session 2023 courses will be listed on the summersession.ucsd.edu website in December 2022.

7. Academic Departments work directly with the Registrar’s Office on scheduling meeting days, times, and locations.
   a. Once all of the course information is finalized in the ISA, departments will use the Schedule Submission Wizard in the ISA to submit schedule to the Registrar’s Office by **February 2, 2023.**
b. Any changes to courses (additions or cancellations), sessions, or instructors must be approved by submitting the change request to Summer Session in the ISA.

8. The Registrar’s Office will send out “The Last Look” March 15, 2023. Any requests for changes to the schedule must be made by March 17, 2023 in order for the change to be reflected when the Schedule of Classes goes live.

   Note: After enrollment begins in April, it is more difficult to make changes to the days and times of a course. Students will already be enrolled in courses, which means extra steps are required because the course may need to be cancelled and students will need to reenroll in the new course.

<td><strong>Classroom Scheduling</strong></td>
<td>For in-person instruction, if a specific classroom is needed for a course, be sure to include this information on the Course Proposal. If actual enrollment exceeds the size of the classroom, the Office of the Registrar will search for a larger classroom. If a classroom is needed for a discussion or review session, it must be requested on the Course Proposal. RCLAS designation on the Schedule of Classes indicates a course will be delivered via remote instruction. Course scheduling must follow meeting guidelines as outlined in the Course Approval Form. Course Approval Forms are set up for 10-week terms only. Please adjust your meeting schedule to be in compliance with the required meeting hours. Schedule changes (dates and class times) are not permitted after March 2023. Faculty are encouraged to check TritonLink for up-to-date scheduling changes.</td>
</tr>
<tr>
<td><strong>Final Examinations</strong></td>
<td>Final examinations must be given outside of the regular classroom time in accordance with the EPC course approval. Final examinations must not be held on the same day as the last class meeting per Academic Senate regulation. The Office of the Registrar assigns final examination periods. The schedule is available on the Schedule of Classes when enrollment begins, however the classroom location for in-person final examinations is not posted until one-week prior to the exam date.</td>
</tr>
<tr>
<td><strong>Course Calendar</strong></td>
<td>For Summer 2023, Special Session courses must follow the date options listed under Special Session. Independent study courses can be offered in any session except the restricted 14-week session. Please note: Five (5) week courses are NOT considered Special Session.</td>
</tr>
<tr>
<td><strong>Enrollment Limit &amp; Prerequisites</strong></td>
<td>If enrollment limitations are required, they MUST be requested on the Course Proposal Form. All students are screened for course prerequisite and class level requirements. Visiting students must obtain departmental preauthorization in order to enroll in upper-division courses or courses with prerequisites.</td>
</tr>
<tr>
<td><strong>Waitlists</strong></td>
<td>Waitlists are created when student enrollment exceeds classroom capacity, or if a course has limited enrollment. Departments need to monitor waitlists for their courses. Departments contact Registrar for larger classroom space to accommodate growing class sizes.</td>
</tr>
<tr>
<td><strong>Course Materials/Textbooks</strong></td>
<td>The UC San Diego Bookstore will contact departments in April for course material and textbook requisitions. Course material adoption requests are April TBD, 2023. This deadline allows the bookstore to research titles as necessary, seek as many used copies as possible (including student Buy-Back during finals), work with publishers to lower textbook costs, and resolve out-of-print problems. The Bookstore wants students to have their course materials when they are needed, so please submit course materials adoptions as early as possible. Instructional Support (Teaching Assistant /Tutor/Reader) | Instructional support for teaching assistants, tutors, and readers will continue to be block-funded to departments based on actual course enrollments. Additional funds from a reserve pool may be allocated to Departments whose actual enrollments increased. Please see the Instructional Support section of the Guidebook for details.

Computer Time/ Lab Facilities | More information is available through ServiceNow at https://support.ucsd.edu/its

Media Services | Order services and equipment through ServiceNow at https://support.ucsd.edu/its

Course Supplies and Expenses | Funds for course supplies and expenses are block-funded to departments. Please request an allocation from your department Business Officer.

Course Materials Fees | See information on PPM 120 – Instruction, Procedures Related to Faculty. Course materials are defined as materials, supplies, tools, or equipment, which are consumed, retained or used by the student, or other materials or services necessary to provide a special supplemental educational experience of direct benefit to the student. Miscellaneous Student Fees, Service Charges, and Deposits must be approved by the Course Materials Fees Committee.

Canvas | Canvas is the primary tool for remote teaching and classroom management. Canvas class sites also integrate with other technology products, such as Zoom and Kaltura. Support is available through Educational Technology Services at canvas@ucsd.edu or 858-822-3315.

Teaching + Learning Commons | The Teaching + Learning Commons provides strategies and resources for teaching in-person, remote, and online instruction. Learn more at https://keepteaching.ucsd.edu/.

**Summer Session Definitions – Closed and Proposed Courses**

**Closed Courses**
Closed Courses are courses that are not included in the financial allocation to departments to offset the cost for offering the course. A Closed Course refers to its funding, not its enrollment restrictions. (ex: EDS 289C)

**Proposed Courses**
Proposed Courses require Summer Session approval to be offered in the upcoming summer terms. Not to be confused with Course Proposals, which are submitted in order to get courses approved by the Academic Senate.

**Special Studies 97-99 and 197-199**
Special Studies courses 97-99 and 197-199 help students learn about subjects not taught in regular classes. Students are engaged in field, lab, and library research. Summer Session approval is not required for any Independent Studies types of credit. Instructors are not entered into payroll for this type of appointment.

To streamline the enrollment process, Summer Session aligns with campus and directs students to submit Special Studies applications online via EASy (Enrollment Authorization System).

Special studies submission and processing instructions for students, staff and faculty can be found at: https://academicaffairs.ucsd.edu/Modules/Students/PreAuth.

Important Dates for 2023 Summer Session Courses

Course proposals are due to Summer Session.  
November 15, 2022  
Summer Session will notify departments of approved courses.  
December 19, 2022  
Schedule Build spreadsheets (requested meeting days/times) submitted to Registrar’s Scheduling office via ISA.  
February 2, 2023

See the 2023 Summer Session Operational Calendar for other course-related deadlines. Note that dates are subject to change.

Course Change Requests

All Summer Session course changes will be entered into the ISA (Instructional Scheduling Assistant https://instructionalscheduling.ucsd.edu/). Summer Session will use the ISA to keep a master course and instructor list for payroll. Registrar will use the ISA to confirm Summer Session approval of new and cancelled courses.

Why use ISA for changes?

- **REDUCE Wait Time**  
  Changes submitted in ISA appear in Summer Session workflow. Departments receive email replies from Summer Session.

- **REDUCE Potential for Defects**  
  All changes will be logged in a central system (ISA). Statuses are clearly decided: APPROVED, DENIED, or CANCELLED. Fewer emails to manage reduces workload

- **ESR Effort – support campus transition to UCPath**  
  Manage changes that impact payroll in one master database
### How to request course changes?

1. Follow the chart below based on the type of course changes:

<table>

| New course offering           | Step 1: Dept. submits new course in the ISA.  
                                | Step 2: Summer Session reviews & approves new course.  
                                | Step 2: Once new course is approved, dept. emails registrar-scheduling@ucsd.edu to add new class to Schedule of Classes |
| Cancellation of Class         | Step 1: [Dept. submits Cancellation Request in ISA](mailto:Dept.submit.Cancellation.Request.in.ISA).  
                                | Step 2: Summer Session reviews & approves cancellation  
                                | Step 3: Once cancellation is approved, dept. emails registrar-scheduling@ucsd.edu to cancel the class |
| ***Note: If enrollment has already begun, depts will need to confirm with Registrar-Scheduling that students have been notified of the cancellation*** |                                                                                                           |
| Change Session of Class       | Step 1: Follow the steps above for Cancellation of Class

| Change instructor name        | Step 1: [Dept. updates the instructor name in the ISA](mailto:Dept.update.instructor.name.in.ISA).  
                                | Step 2: Summer Session will manage payroll and appointment letter process for the new instructor, and cancel appointment for the previous instructor (if applicable)  
                                | Step 3: Once instructor has accepted appointment to teach and is “active” in the system, Summer Session will update the instructor name on the Schedule of Classes |
| Schedule Change (ex: days, times, location) | Step 1: Dept. updates ISA.  
                                | Step 2: Dept. emails changes to Registrar Scheduling registrar-scheduling@ucsd.edu                                                                 |

Every weekday morning by 11am - Summer Session reviews changes in ISA that impact PAYROLL – Session, instructor name, add/cancel course. Departments will see status updated in ISA.

For additional details, please see the [ISA Change Management document](http://summer.ucsd.edu) on the Summer Session website.
Cancelling a Course

Summer Session may cancel courses for low enrollment. When determining whether to cancel a course due to low enrollment, please consider the following questions. If the answer to each question is NO, then the sooner Summer Session cancels the course, the more time faculty and students have to make other arrangements.

1. Is there an obvious reason for enrollment to be low by the first week of May?
2. Is there something special that may increase the enrollment?
3. Is this course part of a sequence and students are waiting to complete another course?
4. Is the course cross-listed and students have enrolled in the other course?
5. Is my department or the faculty going to do something special to recruit more students?

If the answer is NO to the five questions listed above, you may want to move forward with the following procedure to cancel a course, or contact Director of Summer Session to discuss the situation.

1. Department – Please request course cancellation in the ISA, using the appropriate cancellation reason.
2. Summer Session reviews “special” cancellation request with DUE and AVC of Education and Innovation.
3. Summer Session marks cancellation approved in the ISA.
4. Department - Lowers enrollment limit to 0 to stop additional students from enrolling into the course.
5. Department - Contacts enrolled students to notify them of cancellation and provide “Of Related Interest” courses to students to encourage them to select another course.
6. Department - Notifies Summer Session that the students have been emailed regarding the cancellation.
7. Registrar – Confirms cancellation in ISA and cancels course in ISIS.
8. Summer Session - Sends a cancellation letter to the faculty to cancel the teaching appointment.
9. Department - Cancels the faculty payroll appointment in UCPath (if already created).

Instructor Hiring Process

Summer Session procedures for hiring faculty differ from the academic year. Instructors are hired “by agreement”, and open recruitment is not required for Summer Session appointments. However, Summer Session instructors must adhere to UC San Diego Academic Personnel policy. To verify that an instructor is eligible to teach in Summer Session, please refer to Academic Personnel Manual (APM) 661 and APM 662.

Summer Session processes faculty appointments in three groups:

1. UC San Diego faculty and lectures who have active teaching appointments during the current academic year.
2. Graduate Students who will teach Summer Session courses as Associates-In.
3. “Visiting” Instructors, which include:
   a. UC San Diego faculty who do not have active teaching appointments at UC San Diego during the 2022-2023 academic year (Ex. recalls).
   b. UC San Diego staff who do not have teaching appointments. (Postdocs, Researchers, etc.)
   c. Lecturers or Professors from other Universities and Institutions.
Summer Session will begin hiring current UC San Diego Faculty and Lecturers on January 16, 2023.

- The Department Chair or College Dean must endorse each faculty member to teach Summer Session courses.

- Summer Session is responsible for creating and emailing all faculty appointment letters, copying the Department Business Officer (formerly “MSO”). The appointment letter will state the terms and conditions of the teaching appointment.

- Appointment letters will be uploaded to OneDrive site, [https://go.ucsd.edu/3cPRUEF](https://go.ucsd.edu/3cPRUEF).

- Each faculty member will accept his/her teaching appointment via reply email to summer-payroll@ucsd.edu. Faculty will not be permitted to teach until Summer Session receives an acceptance email.

- Faculty names will be added to the Schedule of Classes after Summer Session receives an appointment acceptance email.

- Departments will enter additional pay amount from Summer Session into PayPath in July/August. For more information, please see the Faculty Compensation section of the Guidebook.
Summer Session will begin hiring Visiting Lecturers and Non-Teaching UC San Diego Staff in February, 2023.

**DEADLINE:** To submit appointment files via Interfolio is March 31, 2023.

- The Dean of Undergraduate Education must approve all visiting lecturers, Emeriti, and UC San Diego staff who do not have teaching appointments (Researchers, Postdocs, etc.). Visiting lecturers who have taught previous summers require a new appointment file and DUE approval.

- Please consult with the [International Faculty & Scholars Office](#) (IFSO) before proposing an International instructor. International visiting instructors must hold appropriate visa status to be eligible for payment. All offers of appointment are contingent upon documentation of employment eligibility in compliance with the Immigration Reform and Control Act of 1986. An instructor cannot teach on a tourist visa. Please note that late visa applications sometimes result in the instructor not being able to teach in Summer Session.
  - Visiting instructors are encouraged to initiate their visa applications well in advance of the start of Summer Session, preferably as soon as their course has been approved. Please contact the UCSD Scholar’s Office at 858-246-1448 for more information.
• Postdocs or project scientists who are hired on H-1B, TN, or E-3 visas are not eligible to teach Summer Session courses. These types of visas are job-specific, which means that teaching a Summer Session course would require amending the terms of the visa at significant cost to UC San Diego. Please consult with the International Faculty & Scholars Office before submitting an appointment file for an international postdoc or project scientist.

• UC San Diego fiscal year academic and staff employees must follow Academic Personnel guidelines for teaching Summer Session courses. Per APM-661, an exception memo must state how the employee’s percentage of time will be reduced so that a Summer Session appointment will not cause him/her to exceed 100% appointment.

Teaching in Summer Session is a great way for fiscal year employees to gain teaching experience at UC San Diego. However, reducing a fiscal year appointment may affect an employee’s benefits, retirement, and service credit. Summer Session recommends consulting with HR to understand the pros & cons of reducing a fiscal year appointment before accepting a Summer Session teaching appointment.

• The documentation required in the Summer Session Appointment File depends on the faculty type and academic year title code of the proposed lecturer. See the Summer Session Instructor Appointment Handbook (Updated for 2023 in November) for details.

• Appointment files must be submitted via Interfolio. All departments will use the Summer Session Appointment template. An Interfolio job aid for Summer Session appointment files is available on the AP Interfolio SharePoint Site.

• Summer Session is responsible for creating and emailing all instructor appointment letters, copying the Department Business Officer (formerly “MSO”). Each appointment letter will state the terms and conditions of the teaching appointment.

• Appointment letters will also be uploaded to the Summer Session OneDrive site at https://go.ucsd.edu/3cPRUEF.

• Instructors will accept their teaching appointment via reply email to summer-payroll@ucsd.edu. Instructors will not be permitted to teach until Summer Session receives an acceptance email.

• Departments will create a position and hire the visiting lecturer in UCPath, without entering the payment amount. Summer Session compensation will be entered as additional pay via PayPath, and that transaction will happen later in the summer (July and August) with guidance and compensation details from Summer Session. For more information, please see the Faculty Compensation section of the Guidebook.

Canvas – Early Access for New Instructors
In a remote learning environment, it is critical that Canvas course sites are published for students to access when classes begin. Delays in getting new instructors approved and hired in UCPath causes delays in getting access to campus systems. As a workaround, the Canvas team has agreed to grant early access for new instructors, so that they can create their class sites before they are fully processed in payroll. For more details, refer to the resources for remote teaching.

• Faculty names will be added to the Schedule of Classes after they accept their teaching appointment and their appointment is active in ISIS.

• Visitors not holding any other UCSD appointment must be separated at the end of their Summer Session teaching appointment.
Visiting Instructors – Cases requiring special handling.

Visiting Instructors Teaching Remote Courses Outside of California (Remote or Online “R” Courses only)
Teaching outside of California means that taxes are different. Departments will need to be sure that the taxation is set-up properly in UCPath (not subject to CA tax withholding). They may be subject to state income tax in the state where they are working. You may use the following language during onboarding:

If you are fulfilling your duties remotely from outside of California, you’ll need to complete a temporary remote agreement and may want to consult a tax advisor to determine your tax liability for the state in which you are working.

Considerations for International Faculty
Visiting International faculty require different handling.

The program allowing appointees to work internationally with temporary work agreements expired in December 2021 and will not be continued.

Visiting International faculty traveling to the United States to teach in California:
• Visa is required.
• In UCPath, make sure tax is withheld and/or they receive treaty benefits.
• Make sure they have a bank account for payment.

International faculty already teaching in Spring quarter and staying for Summer Session.
• J visa status – no additional steps required.
• H, TN, E3, O-1 visa status – Contact IFSO to see if an amended petition is required.

For more information, please contact the International Faculty & Scholars Office.

Hiring Faculty from other UC Campuses
• When hiring faculty from another UC campus, the appointment must be signed-off by both UC San Diego (host location) and the candidate’s home UC campus (home location) using a Multi-location agreement form.
• An appointment file is also required, like any visiting instructor.
• Note that Summer Session does not match the annual salary at the home campus. Instead, departments should propose a salary that aligns with other faculty in the department.
• New with UCPath – UC San Diego hiring department will process this appointment in UCPath as a concurrent hire.

For more information, refer to the UCPath Job Aid: How to Manage Multi-Location Appointments on the UCPath Job Aids page, https://ucpath.ucsd.edu/training/job-aids.html#Template-Transactions.
Graduate Students Teaching as Associates-In are reviewed and approved through the IA System (formerly ASES).

**DEADLINE:** Departments should plan to submit applications in the IA System by March 31, 2023.

- To be eligible to teach in Summer Session 2023, UC San Diego Graduate Students must have advanced to candidacy by March 1, 2023. Refer to the Associate-In duties and eligibility criteria on the Division of Graduate Education and Postdoctoral Affairs (GEPA) website.

- Appointment documentation must be submitted through the IA System (formerly ASES). The IA System will route the Associates-In applications to GEPA for review and approval. For Associates-In appointment questions, refer to the GEPA collab site, or submit a ticket to Services & Support.

- Appointment letters will be created and viewed in the IA System. The appointment letters will state the terms and conditions of the teaching appointment.

- An Associates-In must officially accept his/her appointment in the IA System. Email notifications are sent to the hiring department and Summer Session upon completion.

- Departments will create positions and hire Associates-In in UCPath, without the payment amount. Summer Session compensation will be entered as additional pay via PayPath, and that transaction will happen later in the
summer (July and August) with guidance and compensation details from Summer Session and GEPA. For more information, please see the Faculty Compensation section of the Guidebook.

• Associates-In names will be added to the Schedule of Classes after their appointment is active.

Summer Graduate Teaching Scholars (SGTS)
The Summer Graduate Teaching Scholars (SGTS) program provides an opportunity for some of UC San Diego’s advanced graduate students to obtain mentored teaching experience while increasing Summer Session course offerings to undergraduate students.

• A call for nominations for the Summer Graduate Teaching Scholars Program is sent out to academic departments and programs from Academic Affairs in October.
• Departments should nominate students who will be teaching as first-time Associates-In.
• Departments should propose courses that have shown student demand in the summer to avoid having courses cancelled due to low enrollment.
• Required paperwork for these nominees should be included in the submissions to the IA System (formerly ASES) for GEPA approval.
• The graduate students selected to participate in the SGTS program are paid a $1,200 stipend, which is coordinated by GEPA.
• Summer Session will work with departments to arrange the course details and Associates-In salary.
• A $500 stipend is paid into a research account for each SGTS participant’s faculty mentor.

For more information, visit the Summer Graduate Teaching Scholars page on the Academic Affairs website.

Training Session - Instructor Appointments
Summer Session will hold an Appointment File training workshop in December. All departments are encouraged to send a representative(s). Support and training materials are also available on the Summer Session website at http://summer.ucsd.edu/documents/index.html#Appointment-&-Payroll-Documents.

Note: Ladder-rank faculty, LSOE and LPSOE teaching 2 courses in one Session are required to spread their Summer Session course salaries over two months to comply with the 1/9th annual salary per month compensation restriction.

### Hiring Deadlines

Lecturer Appointment Files are due in Interfolio by March 31, 2023.

Graduate Student Applications are due in the IA System by March 31, 2023.

See the 2023 Summer Session Operational Calendar for other instructor-related deadlines. Note that dates are subject to change.

### Instructor Compensation

- No course salary cap – all 4-Unit courses will pay 8.5% annual salary.
- No reduced contingent salary for courses with enrollment less than 15.
- Science Wet Lab Bonuses will continue for Summer Session 2023.
- Success Bonuses for 2023 Summer Success Programs are pending approval.

Faculty compensation for Summer Session is different from the academic year. It consists of two types of payments:

1. Course Salary (All instructors)
2. Bonuses (Only instructors teaching courses that are part of a Summer Success Program, or science wet labs. Additional work is required.)

### Course Salary

Summer Session pays instructors a course salary for each class they teach in Summer Session. Each course salary is by agreement and calculated based on:

- UC San Diego annual teaching salary at pay rates in effect on 6/30/23.
- No maximum course salary cap.

Visiting lecturers are not paid at the annual salary they receive at their home institution. Instead, visiting lecturers are paid at an annual salary that aligns with UC San Diego salary scales, at a rate consistent with comparable faculty in the department.

### Courses May Be Canceled for Low Enrollment

Summer Session reserves the right to cancel courses with enrollment of fewer than 15 students.

Summer Session will notify departments of courses with low enrollment by the dates listed below. Departments, instructors, and Summer Session will consider each class on a case-by-case basis, and determine if the class will be offered or canceled for low enrollment.

Course enrollment reports are on Tableau. Instructions on how to access the reports can be found on the Summer Session website at: https://summersession.ucsd.edu/documents/index.html#Enrollment-Reports.

### Course Salary - Special Cases

**Global Seminar Appointments**

- The standard Summer Session compensation rate of 8.5% annual salary per course is paid, and required to teach two 4-unit courses in one session. For ladder-rank faculty, LSOE, and LPSOE, payment will be spread over two months to meet the AP compensation restriction of 1/9th annual salary per month.

- If the program has previously been taught and the enrollment is low, the program may be cancelled.
• For UC San Diego faculty, the relevant compensation policies for Summer Session teaching are set forth in Academic Personnel Manual (APM) 661 and APM 662 and PPM 230-43. Faculty with Staff or Research titles must follow Academic Personnel guidelines for teaching Summer Session courses.

Emeriti (Recall) Faculty
• All faculty recall appointments require an appointment file with a Recall Form and CAPES. (Even if the recalled faculty taught during Fall, Winter and Spring of the current academic year.)

• Compensation is based on the annual teaching salary at retirement, with appropriate range adjustments, not to exceed the 43% salary per month restriction. (See APM Section 205.)
  o Note that recall faculty teaching 2 Summer Session courses are not eligible to receive the full 17% AY annual salary. The maximum summer compensation allowed for recall faculty is 43% of 1/9th AY annual salary per month × 3 months, which is approximately 14.3% AY annual salary.

• Faculty who retire after Spring Quarter 2023 must have a 30-day break in service and may NOT teach a Global Seminar in Summer Session 2023. They would be eligible to teach a Global Seminar starting in Summer Session 2024.

HCOMP Faculty
As stated in APM 661-16d, part-time and full-time Health Sciences Compensation Plan faculty are not eligible to receive additional compensation for Summer Session teaching.

HSCP – The abbreviation for Health Sciences Compensation Plan
HCOMP – The faculty type description for faculty participating in the Health Sciences Compensation Plan. Includes title codes 1712-1734.

1. Additional Compensation
   Summer Session is defining “additional compensation” to be any type of the following:
   a. Z payment
   b. salary above what is already being paid
   c. a transfer to a research account
   d. a recharge to department account
   Summer Session will not use any of the options listed above, or any other means, to compensate full-time HCOMP faculty. The intent of APM 661-16d does not allow additional compensation even if it is moved between accounts to eventually end up as an additional payment to the HCOMP faculty member teaching a course.

2. Percentage of Time
   We cannot reduce an existing HCOMP faculty member’s appointment to 50% in order to receive compensation to teach one Summer Session course, because he/she must maintain a 51% HCOMP appointment or greater to be eligible for HSCP participation. (A 51% HCOMP appointment and a 50% Summer Session appointment (to teach one course) would put him/her at 101% time, which is not possible.)

3. Salary Replacement Option
   Under special circumstances, HCOMP faculty member’s other salary fund sources can be reduced to use Summer Session teaching pay to cover a portion of his/her regular pay. This is a salary replacement option and not an additional compensation option.
   a. The Health Sciences administration (department and dean’s office) must be amenable to reducing the faculty member’s existing teaching and/or clinical loads in Health Sciences.
   b. This requires PRE-approval in writing by the Health Sciences administration.
c. Summer Session pays a standard course salary of 8.5% of academic year annual salary. We would need to determine what portion of the faculty member’s HCOMP salary the Summer Session compensation can buy out, and indicate at which rate (base salary or negotiated salary).

d. Because this is a salary replacement option and **not** an additional compensation option, it would not be in compliance with AP policy to redirect his/her “displaced” regular (non-Summer Session) funding to a Z payment or other form of additional compensation. (See item 1.) In other words, no swapping to circumvent the intent of APM 661-16d.

4. **Appointment without Salary**

Faculty are allowed to teach summer courses without compensation from Summer Session. Faculty are eligible for this option only with a letter from his/her supervisor indicating that the time spent teaching Summer Session will not interfere with his/her normal duties in Health Sciences.

**Fiscal Year Employees Teaching in Summer Session**

Fiscal year appointees must reduce their percentage of time to teach in Summer Session.

**Use of Vacation**

If vacation time must be used to teach in Summer 2023, please use the following to calculate the number of days/hours needed.

**Summer Session Vacation Deduction Calculation:**

The calculation is based on the course rate, the month payment is being issued, as well as the concurrent fiscal year appointment rate. (Please note bonus payments are not included in the calculation).

- Concurrent fiscal appointment rate: Use $_________/mo
- Summer Session course salary: $_________ (excluding any bonus)
- 2023 Summer Session pay dates: 7/1/23-7/31/23 (160 hours) or 8/1/23-8/31/23 (184 hours)
- Percentage of compensation: ____%
  - Summer Session course salary ÷ by monthly rate of concurrent appt.
- Vacation deduction: ____Days
  - Multiply the percentage of compensation from above times the total possible hours in the month payment is being issued. (ex: 92% * 160 = 147.2 hours)
  - Divide this figure by 8 hours and round to nearest whole number (you report only in full day increments).
  - (Ex: 147.2 hours ÷8 = 18.4, or 18 days)
Converting between Fiscal Year and Academic Year Salaries

Conversion factors are based upon UC work hours/calendars.

The calculated FY annual salary may not match a rate on the FY scale.

The calculated AY annual salary may not match a rate on the AY scale.

Bonus Compensation

**Success Bonus – Pending approval for 2023**

Instructors teaching courses that are part of the Summer Success Programs may be paid a Success Bonus. Instructors are expected to perform additional work to support the Summer Success Programs. Specific duties vary by program, directed by Faculty Director.

Science (Wet Lab) Bonus – Physical Sciences Division & Biological Sciences Division

Faculty teaching science wet lab courses (2 or more Units) with enrollment of 20 or more students may be eligible for a bonus. The Science Wet Lab Bonus is paid on a per-course basis, and is calculated as: 87.5% of the Summer Session Course Salary (.875 × Course Salary)

Compensation Restrictions

Limit for Academic Year Appointees – 3/9 (33%) annual salary for entire Summer Session

Maximum compensation allowed for teaching Summer Session is 3/9 (33%) of a faculty’s nine-month academic year salary during the three-month summer period (1/9 per month over 3 months). It is the faculty member’s responsibility to ensure that their research, summer teaching, other forms of support (faculty fellowships, etc.), stipends, and success bonuses do not exceed the 33% maximum summer compensation limit.

**Teaching 4 Courses Exceeds 33% Maximum**

Instructors teaching 4 Summer Session courses (2 courses in Session 1, 2 courses in Session 2) will need to reduce their Session 2 course salaries to not exceed the 33% annual salary maximum.

4 courses = 4 × 8.5% = 34% annual salary

Compensation will be spread over 3 pay periods - total is 3/9ths, or 33% annual salary:

July = 1/9th annual salary
August = 1/9th annual salary
September = 1/9th annual salary

Restriction for Ladder-Rank Faculty, LSOE and LPSOE – 1/9th annual salary per month

Ladder-rank faculty, LSOE and LPSOE Summer Session instructors cannot exceed 1/9th annual salary per month. To comply with this restriction, all ladder-rank faculty, LSOE and LPSOE teaching two Summer Session courses in one session are required to spread their Summer Session course salaries over two months.

- 2 courses = 2 × 8.5% annual salary = 17% annual salary
• 17% annual salary exceeds the monthly limit of 1/9th annual salary (1/9th is approximately 11% annual salary.)

Limit for Fiscal Year Appointees – 1/12 annual salary per month
Compensation for fiscal-year appointees may not exceed one-twelfth (1/12) of the faculty’s annual salary per month of teaching. It is the faculty member’s responsibility to ensure that their research, summer teaching, other forms of support (faculty fellowships, etc.), stipends, and success bonuses do not exceed the 1/12 maximum summer compensation limit.

Limit for Emeriti – 43% per month
Summer Session recall appointments (Emeriti) are subject to a maximum compensation limit of 43% per month of the individual’s salary at the time of retirement (range adjusted to current dollars). See http://www.ucop.edu/academic-personnel-programs/_files/apm/apm-205.pdf for details.

Limit for Faculty with Academic Administrator Appointments – Varies
Compensation for faculty with Academic Administrator appointments (Provost, Department Chair, etc.) will be calculated on a case-by-case basis. Please contact Lisa Bargabus at summer-payroll@ucsd.edu regarding new or modified academic administrator appointments for Summer Session faculty.

Limit for All Summer Session Faculty - 100% Appointment Max
UC San Diego faculty members cannot exceed 100% appointment at any time during the three-month summer period. It is the department and faculty member’s responsibility to ensure that their research, summer teaching and other forms of appointment time do not exceed the 100% appointment time limit.

Payment Disbursement
Paychecks are issued on August 1, 2023 for Session 1, and September 1, 2023 for Session 2. Courses taught in Special Session are assigned a payroll date of August 1 or September 1 depending on the course dates. Summer compensation is subject to deductions.

In some cases, Summer Session compensation needs to be spread over 2 or 3 months in order to comply with AP policy. See Compensation Restrictions for details.

Taxes
The tax rate for compensation during summer depends on appointment type.

• Summer Session faculty with a 9/12 appointment are subject to supplemental wage taxes and are taxed at a flat rate of 25% for federal and 6.6% for state.

• Summer Session faculty with a concurrent fiscal-year appointment (11/12) will be taxed based on W-4 allowances and the standard monthly tax tables.

• Effective 10/1/21, Lecturer, Recall/Emeriti, and Graduate Students (i.e. Summer Session appointments with summer earnings on ASN earn code) will be taxed at 22% federal and 6.6% state regardless of what is claimed on their W-4.

Please Note: This may place faculty into higher Federal and state tax brackets, resulting in a greater rate of tax withholding. This is due to the respective tax agency’s regulations that do not allow any consideration for summer salary being seasonal. It is recommended that faculty consult an outside financial advisor to assist them in making any changes to their W-4 withholding allowances to avoid excess tax withholdings.
Mandatory 403 (b) Plan Contributions
Summer Session salary retirement benefit has been transferred from UC’s DC Plan to UC’s Tax Deferred 403(b) Plan. That means Summer Session faculty (contributing 3.5%) and the University (contributing 3.5%) are now required to make pre-tax contributions (7% total) to the 403(b) Plan. Because summer salary contributions are required, they do not reduce the limit on voluntary pretax contributions to the 403(b) Plan (or the 457(b) Plan). More information can be found at: [http://www.ucop.edu/academic-personnel-programs/academic-personnel-policy/policy-issuances-and-guidelines/revised-apm-190-appdx-g.html](http://www.ucop.edu/academic-personnel-programs/academic-personnel-policy/policy-issuances-and-guidelines/revised-apm-190-appdx-g.html)

Benefits
Summer Session appointments are not considered benefits-eligible appointments. The hours worked during Summer Session do not contribute towards the hours required to maintain benefits eligibility. Faculty with a regular, ongoing benefits eligible appointment will continue to receive benefits during the summer. Lecturers hired to only teach in the summer are not eligible for benefits. Lecturers who teach Spring quarter will continue to receive benefits if they teach in the summer. If a Lecturer only teaches part of the summer, they can pay the employer cost of their benefits during the time they are not teaching, or they can go on short work break with no benefits if they are returning Fall quarter.

For more information on benefit eligibility, please contact the benefits representative assigned to your vice chancellor area.

Note: BYH or ACA hours and earnings appearing on some employee earnings statements. The UCPath system, unlike PPS, includes these pay lines on the pay statement. It is important to note that the dollar value is not included in Total Gross or any Taxable Gross. It does not affect the employee’s pay and is not reported on the employee’s W-2. In order to remain compliant to the Affordable Care Act (ACA) standards, it is necessary for locations to report hours worked for certain flat-rate earn codes and is part of a calculation of weekly effort that is reported in order to determine continuing benefits eligibility.

Faculty Payroll Training Session
Summer Session will hold a payroll training workshop in May 2023. All departments are encouraged to send a representative(s). Support and training materials are also available on the Summer Session website at [http://summer.ucsd.edu/documents/index.html#Appointment-&-Payroll-Documents](http://summer.ucsd.edu/documents/index.html#Appointment-&-Payroll-Documents), and on the UCPath Training Hub at [https://ucpath.ucsd.edu/training/training-hub.html](https://ucpath.ucsd.edu/training/training-hub.html).

Questions about Summer Session payroll?
Please contact Lisa Bargabus, Summer Session Business Manager, at x25064 or summer-payroll@ucsd.edu.

Faculty - Instructional Guidelines

**COVID-19 Impacts - Summer 2023**

Academic Affairs FAQs and Resources Hub – Latest policies on course modality for faculty.

Resources for Remote Teaching
- Strategies and resources to support remote teaching can be found at keepeteaching.ucsd.edu.
**Canvas for New Instructors – Early access logins are available.**

Canvas is the Learning Management System available to UC San Diego instructors. New instructors cannot access campus systems until they are fully hired in UCPath, which can take several days or even weeks to complete. In order to allow new instructors to create their Canvas class sites before they are fully processed in payroll, the Canvas team will issue early access based on their anticipated AD login. For more information, visit [https://edtech.ucsd.edu/instructional-tools/canvas/index.html](https://edtech.ucsd.edu/instructional-tools/canvas/index.html).

**Course Syllabus**

- Faculty are expected to prepare course materials at least one week prior to the first day of the class. Preparation includes a syllabus, course outline, and handouts ready to distribute to students at the first class meeting.
- Summer Session courses are governed by the same academic policies and requirements as those offered during the Fall, Winter, and Spring quarters. Summer Session publications emphasize that courses taught in Summer Session are academically rigorous and presented at an accelerated pace. Summer Session and the Academic Senate EPC rely on faculty to uphold the same academic standards for Summer Session courses as they do for the same courses taught during the regular academic year.
- Plan for the Juneteenth, Independence Day, and Labor Day holidays, if appropriate. Campus closed, no class meetings. Makeup sessions must be posted to the Schedule of Classes prior to student enrollment.

**Course and Professor Evaluations (CAPE)**

- Course and professor evaluations are managed online by the CAPE office. CAPE is a student-run organization. Faculty are encouraged to remind their students to participate. Goal – achieve a minimum response rate of 40%.
- Please visit the CAPE website or email the CAPE director for more information. Tips on how to increase student response rate can be found at [https://cape.ucsd.edu/faculty/tips.html](https://cape.ucsd.edu/faculty/tips.html).
- The CAPE dates for student access are the last week of a 5-week session. More information can be found at [https://cape.ucsd.edu/faculty/index.html](https://cape.ucsd.edu/faculty/index.html).

**Course Enrollments and Class Lists**

- Student enrollments by course are available on the Schedule of Classes on TritonLink.
- Faculty can view course enrollment lists, download information, and send e-mail messages to class lists (rosters) and wait lists by logging onto Blink Instruction Tools. All users must log on using their ISIS or Single Sign-On user ID and password.
- To obtain a user ID and password, contact your department security administrator. *Visiting faculty and Graduate Students are not eligible for a user ID and password, and therefore need to contact their department for assistance.*

**Course Prerequisites**

- Course prerequisites help guide students on choosing the appropriate level course. Summer Session recommends that faculty make clear at the first course meeting the specific approved requirements for the course, the level at which the course will be taught, and the grading policy.
- Non-UCSD (visiting) students are held to the same standards and are required to meet the prerequisites for each course. To obtain preauthorization from the department to enroll in the course, students should submit an online request via the Enrollment Authorization System (EASY). Refer to the steps on the [Summer Session website](https://summer.ucsd.edu).
Additional Meetings
Required discussion or lab meetings per the EPC course approval and make-up meetings due to holidays (Juneteenth, Independence Day, Labor Day) or missed classes need to be scheduled and provided to the Office of the Registrar so they are available on the Schedule of Classes when enrollment begins.

Final Examination
- Students may not be excused from an assigned final examination if it is a course requirement.
- Midterms and final examinations must be given according to the published date and time on the TritonLink Schedule of Classes. The final exam schedule is available on the Schedule of Classes when enrollment begins; however, the classroom location for in-person final examination is not posted until the fourth week of each session.
- The Office of the Registrar sets the schedule for final examinations, which cannot occur during the last class period, or on the same day of the class. See the Policy on Final Examinations for more information.

Office Hours
Office hours are required of Summer Session instructors. Summer Session recommends faculty make an announcement to students during the first class meeting regarding the hours and location of official office hours.

Waitlists – 2023 Dates are Pending
Departments found success managing Summer Session 2022 waitlists by communicating to students whether or not additional sections of waitlisted classes would be added to the Schedule of Classes. Summer Session recommends that departments follow the same communication strategy for 2023.

- Waitlists are created when student enrollment exceeds classroom capacity or if a course has limited enrollment.
- Students on waitlists are not charged fees until they are enrolled. There is an automated procedure that enrolls a waitlisted student in a course when a space becomes available according to the waitlist schedule below.
- Students must remove themselves from the waitlist if they are no longer interested in enrolling in the course.
- Course fees are automatically assessed to student accounts once they are added from the waitlist.
- If a course added from a waitlist is not dropped by the refund deadline, students are held responsible for fees.

Summer 2023 Waitlist Schedule. Process is subject to change, pending approval of the Registrar’s Office.

</tbody>
</table>

- For Sessions 1 and 2, a week prior to the start of the session, the automated waitlists will be turned off. This is to give students time to pay their fees to avoid being cancelled from their classes before the session begins.
• Academic departments will need to manually handle their waitlisted students until the automated feature is turned back on.

• The automatic waitlist will restart on Saturday before the session begins, and remain open until the Wednesday of the first week of the session. This process reduces the number of manual add cards and to allow students time to drop the course and obtain a course refund.
Grading

FERPA Training for Faculty
Summer Session faculty with access to student records must comply with the Federal Family Educational Rights and Privacy Act (FERPA) by taking an online FERPA course. The FERPA course is offered via UC Learning Center, takes about 30 minutes to complete, and is valid for 3 years. More details about the FERPA training requirement can be found at:

https://blink.ucsd.edu/instructors/advising/confidentiality.html

Grading Policy
Students are expected to complete all assignments, take all examinations, regularly attend classes and submit all work by the end of the session.

eGrades
Summer Session grades will be submitted using eGrades. For additional information regarding the eGrades tool and process, visit the eGrades page on Blink (blink.ucsd.edu).

Grade entry for Summer Session opens at 8 a.m. on July (date announced Jan. 2023) for Session 1 and September (date announced Jan. 2023) for Session 2 and closes at 11:59 p.m. on the Tuesday after the last final for Summer Session. Since grade entry and grade changes submitted by 11:59 p.m. are processed overnight, grades and grade changes will be visible to students on TritonLink the next day.

If you have any questions or need further information, contact Academic Records at (858) 534-3144 or egrades@ucsd.edu.

Student work will be reported in terms of the following grades:

<table>

</tr>
</tbody>
</table>

The grades A, B, and C may be modified by plus (+) and minus (-) suffixes. A blank entry signifies the faculty did not assign a grade.

The blank grade must be resolved before the end of the next quarter or the grade will become a permanent F, NP, or U.
The ‘I’ or Incomplete grade may be assigned to a student’s work when the work is of non-failing quality, but is incomplete for valid cause (illness, for example). The deadline for filing a request for an Incomplete shall be no later than the first working day after the final examination date.

The faculty shall make arrangements with the student for completion of the work required at the earliest possible date, but no later than the last day of the finals week in the Fall quarter. If not replaced by this date, the ‘I’ grade will lapse into an ‘F’ grade. The faculty may neither agree nor require that the student wait until the next time the course is offered in order to make up incomplete work, but must make individual arrangements for the timely completion of the work.

The “IP” grade signifies classes that extend over more than one quarter. The “NP” or Not Pass is assigned if a student does not pass a class.

“W” dates are pending for 2023.

The “W” or Withdraw is assigned if a student drops a class or withdraws from Session 1 between July 9 – July 15, 2022 and Session 2 between August 13 – August 19, 2022 (equivalent to the start of the fifth week and the end of the sixth week of classes during Fall, Winter, and Spring quarters). The “W” is also assigned if a student drops certain labs after the second scheduled meeting. A student may receive a maximum of one “W” per course, per Academic Senate Regulations.

Please contact Renee Lee, Student Affairs Manager, with any student affairs questions or concerns at 858-534-8277, or summer@ucsd.edu.

Academic Integrity Standards

Academic Integrity is essential for our University community. The University has an Academic Integrity Office to assist students and faculty in upholding academic integrity.

The Executive Vice Chancellor – Academic Affairs has asked that all faculty and instructors talk about academic integrity in their classes, clarifying their expectations for how students can complete their assignments, tests, projects, and exams with integrity. Please review the academic integrity tips for faculty.

All UC San Diego undergraduate students are asked to complete the Integrity Tutorial. Students are expected to act in ways at all times to ensure that the academic learning experience for themselves and each other will be honest, respectful, fair, responsible, and trustworthy. Remind students to review the academic integrity tips for students.

For more information, please visit the Academic Integrity website.

Campus ID Cards
A card enables faculty to check out materials from the library, purchase items at the Bookstore, access campus buildings and events, and receive discounts on various cultural and recreational activities. UC San Diego faculty may continue to use their permanent photo ID cards for the summer. For more information, visit the Campus Card page on Blink or email campuscards@ucsd.edu.

Computer Time/Lab Facilities
More information is available through ServiceNow at https://support.ucsd.edu/its.

Copyright Policy
See Reproduction of Copyrighted Materials for Teaching and Research.

Instructional Supplies
Support for course materials/supplies is block-funded to the department. If the department approves the expense(s), they will provide a department index number.

Library Course Reserves System
The Library Course Reserve system typically has Summer Session courses available after Week 8 of Spring Quarter. Contact reserves@ucsd.edu for more information.

Media Services
Classrooms and lecture halls are equipped with technology to meet the needs of the educational experience, and on-demand support during instruction. See https://support.ucsd.edu/its?id=kb_article_view&sys_kb_id=3c8f7b0d8633f0bd30f6e9af9619e7 for details.

Office Space
Office space needs should be discussed with the academic department.

Printing and Duplication Services
Duplicating services are available to reproduce course materials. Photocopiers are available in academic departments. Imprints, an on-campus service, can handle a wide variety of copy needs. Faculty members work with their department to determine the preferred way to obtain photocopy services.

Textbooks/Course Materials
The UC San Diego Bookstore will contact departments in April for course material adoptions (textbook requisitions). Requests are due April 21, 2023. Note: The bookstore will accept adoptions after April 21st. However, they need adequate time to research titles as necessary, seek as many used copies as possible (including student Buy-Back during finals), work with publishers to lower textbook costs, and resolve out-of-stock and out-of-print problems. Please submit course materials adoptions as early as possible. For more information, email textbooks@ucsd.edu or call 858-726-5706.
Teaching + Learning Commons

INSTRUCTIONAL SUPPORT

Teaching Assistants (TAs), Tutors and Readers

Summer Session 2022 Academic Student Employee pay rates can be found on the Division of Graduate Education and Postdoctoral Affairs (GEPA) website:

2023 rates are pending.

See the Faculty Compensation section for 2023 pay rates for graduate students hired as Associates-Ins (Instructors of Record).

Teaching Assistant (TA) - $35.22/hr
Tutor – Grad Student - $21.93/hr (single session), $26.31 (group session)
Tutor – Undergrad Student - $16.90/hr (single session), $20.23/hr (group session or Teaching Apprentice)
Reader – Grad Student - $17.78/hr
Reader – Undergrad Student - $16.90/hr

- Each department takes responsibility to recruit, select, and allocate TAs, Readers, and Tutors.
- Departments are notified in July of their allocation from Academic Affairs. The allocation is fungible to use for TAs.
- Departments need to electronically submit the required paperwork for proposed students through the IA System (formerly ASES) for GEPA approval. Appointment letters are the department’s responsibility.

Please note: All students planning to be employed by Summer Session must be registered in the preceding spring quarter at UC San Diego. Enrollment confirmation is required before the appointment may be entered in the payroll system. If a student was not enrolled in Spring quarter at UC San Diego, they cannot be employed by Summer Session.

Student Federal Insurance Contributions Act (FICA)-Defined Contribution Plan (DCP)

To remain exempt from Student FICA (DCP/Medicare deductions) during the summer, a student employee (non-career) who is a U.S. citizen, permanent resident or resident alien must be employed less than 80% time for the month or any partial period within the month and meet the minimum unit requirement of six units for an undergraduate student; three units (5-week session) or six units (10-week session) for a graduate student. A student must be registered in the minimum unit requirement for at least one day of the pay period to remain exempt.

- Only graduate students can be hired as Teaching Assistants (TA).
- Undergraduates may be hired as a Reader, Tutor, or Tutor serving as a Teaching Apprentice.
- Non-UCSD students or others may be recommended for instructional support positions, provided the faculty member has first utilized all available on-campus resources. A department must have approval from the GEPA prior to making an offer to a visitor. A formal written request from the faculty, endorsed by the Chair, addressed to the Dean of the Division of Graduate Education and Postdoctoral Affairs must include the justification for exception to hire. A current Curriculum Vitae (CV) must be attached to the letter of exception for non-students.
How TA Allocation is Calculated

NOTE: The TA annual salary for summer 2023 is still pending. $46,493 is the annual salary from summer 2022.

Aligning with the academic year TA allocation changes, the 2023 TA Allocation formula replaces the PRC ratio with the new TA Load factor and scales the amount by 78%.

TA/Reader/Tutor support will be block-funded to departments from the Summer Session office. Typically, 20 hours per week is considered a 50% time appointment, and 40 hours per week is considered a 100% time appointment. The methodology for the TA allocation is approved by the PRC and is explained below.

For each department, Summer Session counts the number of courses where enrollment is projected to be greater than 10 students (Variable C). Then, for those courses, count the total projected enrollments (Variable E). It is assumed that for each course, an instructor can teach 10 students before a TA is needed. A "course debit" is calculated, which then gives the number of enrollments where a TA would be needed \([E − (C \times 10)]\). Each department has an approved TA Weighted Load (Variable R). It is assumed a full-time (100%) TA teaches 4 sections.

The calculation of TA FTE is:

\[
TA\ FTE = 78\% \times \left[ \frac{E − (C \times 10)}{4 \times R} \right]
\]

where

- \(E\) = projected enrollment
- \(C\) = number of courses
- \(R\) = student-to-TA ratio

To calculate the dollar value associated with the FTE, it is assumed that the workload for a summer session course is 75% of the workload for a course offered during the regular academic year. The annual salary for one TA FTE is multiplied by 75% and then divided by 3 because summer is treated as one quarter.

The allocation is scaled by 78% to align with the academic year. The final dollar amount is:

\[
TA\ Allocation = 78\% \times \left[ TA\ FTE \times \left( \frac{46,493 \times 75\%}{3} \right) \right]
\]

- Or -

\[
TA\ Allocation = 78\% \times \left[ \left( \frac{E − (C \times 10)}{4 \times R} \right) \times \left( \frac{46,493 \times 75\%}{3} \right) \right]
\]

An official employment offer/appointment letter is available to the student (and department) at the ASES website upon Division of Graduate Education and Postdoctoral Affairs (GEPA) approval for TAs, Tutors, and Readers.

Undergraduate Instructional Apprentice (UGIA)
The Undergraduate Instructional Apprentice Form is required for all students appointed as UGIAs, regardless of whether the student will earn course-unit credit or receive compensation.
Strategies/best practices to accommodate growing needs for instructional assistants

Providing sufficient TA coverage for the classes needed to serve our rapidly increasing undergraduate student population is becoming more challenging for departments. The following is a list of strategies/best practices to cover teaching needs.

- Within reason, section sizes can be increased to reduce the number of TAs needed, while remaining mindful of workload limitations.

- It is not necessary to assign TA’s to a course in a manner that is consistent with the formula used to “earn” TA positions. Some courses may need fewer TAs than the formula implies; others may need more. It is at the discretion of the department to make these decisions about allocations, in consultation with the instructor.

- With permission from the Dean of the Division of Graduate Education and Postdoctoral Affairs (GEPA), graduate students who are US citizens or permanent residents and who are making good academic progress can be appointed by exception to teach at 75% time.

- Many departments successfully employ TAs from outside their department to teach in their courses, particularly in lower division offerings. In this regard, there are large numbers of self-funded master’s students in certain departments who would welcome the opportunity to serve as a TA for one or more quarters. Please note, however, that any employment outside of the student’s academic (home) department must have prior approval from the student’s home department. The Teaching + Learning Commons is available to consult on training that could be provided to non-departmental TAs.

- Undergraduate students can serve as teaching/instructional apprentices in areas where shortages of graduate students exist, for up to one course per quarter. The first service quarter usually requires an apprentice teaching course (DEPT 195), while subsequent quarters include an hourly pay rate.

- The Dean of the Division of Graduate Education and Postdoctoral Affairs (GEPA) will entertain requests for exceptions to appoint non-students in instructional roles, such as non-student tutors, provided they are suitably qualified. Recent graduates (graduate and undergraduate degree recipients) are often interested in such positions to bolster their teaching credentials while on the job market.

Any questions about these strategies can be directed to James Antony, Dean of the Division of Graduate Education and Postdoctoral Affairs (GEPA) (graduatedean@ucsd.edu), or John Moore, Dean of Undergraduate Education (due@ucsd.edu).
DEPARTMENT SUPPORT

Instructor Salaries & Benefits
Summer Session tuition covers the cost of instructor salaries and benefits.

TA Allocation
Summer Session block-funds departments for TAs/Tutors/Readers. The TA allocation funds may be used at the discretion of each department. For more information on how the TA Allocation is calculated, please refer to the Instructional Support section of the Guidebook.

Academic Unit Administrative Services for Summer Session
Summer Session funds academic units to provide administrative services for their summer courses, including:

- Human Resources to confirm eligibility to teach, the maximum amount of payment, and if any changes to salary occur by June 30, 2023.
- Input appointments into UCPath.
- Coordinate media, computing, and textbook orders
- Prepare reimbursement requests for faculty “out of pocket” expenditures
- Work directly with Summer Session and Office of the Registrar for classroom scheduling
- Assist faculty with other course-related needs
- Coordinate accommodations for Office for Students with Disabilities (OSD) students
- Management of course waitlists to improve student enrollment

2023 Incentive Pilot Program – Pending approval

The Incentive Pilot Program was created to incentivize academic units to offer more Summer Session courses and achieve higher student enrollments. The overall goal is to help more students use Summer Session to improve their time to degree.

Eligibility
To qualify for the 2023 Incentive Pilot Program, academic units must expand their Summer Session offerings by:
1. Offering more classes than in 2018*
   AND
2. Enrolling more students than in 2018

Key Dates
Number of courses and student enrollments will be measured using end of Summer Session term dates.
   2018 Courses and Enrollments - 9/8/2018
   2023 Courses and Enrollments – 9/12/2023

*Courses not eligible for this incentive include Independent Study courses, and special programs including AESE, EAP, FPM, HLAW, IGERT, LCHO, MAS-CLRE, SOMI, WES.

**EXAMPLE:** A department in the Division of Social Sciences offers Summer Session courses as shown below.

Note: If a unit increases courses but does not increase enrollments, the unit is not eligible for the new incentive rates and will be funded using the standard DASP model. The requirement for the 2022 Incentive Pilot Program is to increase BOTH courses and enrollments – summer growth compared to 2018.

Tips for Increasing Student Enrollments

Manage Waitlists
- Is a larger classroom available to increase enrollment?
- Can the course be offered in the other session?
- Can a second section of a course be opened?

Monitor EASy (Enrollment Authorization System) daily to process student pre-authorization requests in a timely manner.

Marketing Summer Session to students with a major or minor in your unit.
- Add a link to Summer Session on your website: https://summersession.ucsd.edu
- Send an email blast to students about your Summer Session courses.
- Use social media posts to promote your courses.

Important Dates for 2023 Summer Session Students

Schedule of Classes goes live (viewable on TritonLink) March 23, 2023
UC San Diego student enrollment begins April TBD, 2023
Non-UC San Diego student enrollment begins April TBD, 2023

See the Calendar on the Summer Session website for other student-related deadlines, https://summersession.ucsd.edu/calendar/index.html. Note that dates are subject to change.

Visiting Student Preauthorization

Students enrolled in courses must have the proper prerequisites and class standing for enrollment in that course.

All visiting students are categorized as “freshmen.” This means visiting students have no prerequisites on file and do not have upper division standing. Visiting students must request preauthorization with the academic department offering the course prior to enrolling in upper division courses (course #100-199) or courses with prerequisites. The department determines whether a visiting student is eligible to enroll in a course which has prerequisite requirements. Refer to the Summer Session website for more information on the Preauthorization process using the Enrollment Authorization System (EASy).

International Students

International students that are not currently matriculated at UC San Diego are required to pay additional fees and apply for an F1 Visa. Visit the Summer Session website for more information.

All matriculated students, even those who are international or non-resident may enroll in Summer Session directly through WebReg. For more information please contact the Summer Session Student Affairs Manager, Renee Lee, at renee@ucsd.edu.

Add, Drop, and Withdrawal

The Add, Drop and Withdrawal policies for students follow the same rules as during the Fall, Winter, and Spring quarters and are adjusted to a five-week calendar. It is helpful to students if you remind them of the policies and the deadline dates at the first course meeting. Refer to the Calendar on the Summer Session website for more information.

Refunds

Summer Session students are eligible for a refund for courses dropped prior to the refund deadline. No refunds for courses dropped or withdrawals made after the refund deadline, which varies by session. Refer to the deadline Calendar on the Summer Session website for more information. Exception by Petition with documentation maybe approved.
Auditing
Interested individuals, including registered students, are permitted to audit courses only with the explicit and continuing consent of—and under such rules as may be established by—the faculty member in charge of the course. Students auditing are not officially enrolled in the class. The instructor is not obligated to devote time to the work of individuals not officially enrolled in the course. All persons auditing are required to abide by university policies and campus regulations. No transcript record.

Cancellation for Non-Payment
Students who do not pay fees by the deadline may be cancelled for non-payment. Students are strongly encouraged to drop their courses via WebReg should they change their enrollment decision. Students who add a course late are expected to pay fees in full immediately upon enrollment.

Financial Aid
Students receiving financial aid are required to enroll in a minimum of 6 units total throughout the summer term. Some students might enroll in alternate courses while waiting for an open seat in their preferred course. This situation has an impact on course enrollment because it creates a false demand for a course. All students enrolled in Summer Session are reviewed for aid without filing a separate Financial Aid application.

Student Fees

2023 Tuition Fees
Students pay a per-unit fee per course. Fee levels are determined by the University of California Office of the President and the Board of Regents. In addition to the standard per unit fee, fees may be charged to cover other expenses as approved through the course proposal review process.

In accordance with University policy, summer unit fees must be equal to the fee charged in the subsequent academic year. The fees for Summer Session 2023 are subject to change.

Projected tuition fees for 2023 (Fees are not changed after April 11, 2023.)
- UC Undergraduate Students: Incoming New students and Continuing students
  $279 per unit *(subject to change)*
- UC Graduate Students: Incoming New students and Continuing students
  $357 per unit *(subject to change)*
- All Other Students:
  $349 per unit *(subject to change)*

Campus Fees
The following campus-based fees are passed by referendum by the general student body and the Associated Students council. Campus-based fees are mandatory for all students and can be charged for a maximum of two sessions per summer. The fees for Summer Session 2023 have not been determined at the time of this publication, and may be available in March.

Projected fee rate for 2023:
- University Center Fee: $46.56/session *(subject to change)*
- Recreation Facility Fee: $53.50/session *(subject to change)*
- ICA Student Activity Fee: $65.73/session (undergraduates only, *(subject to change)*
Application Fee
UC San Diego students do not pay an application fee. Application fees are paid by all non-UCSD students. Visiting students from other UC campuses pay a $50 application fee. All other non-UC visiting students pay a $100 application fee. The application fee is non-refundable.

Program Fees
Students pay additional fees for special programs and/or professional school programs. Students should visit specific program websites and refer to the Schedule of Classes for fee information.

Students enrolled in study abroad programs pay an additional program fee. Students should visit the Travel Study and Global Seminar Program websites for fee information.

Instructional Materials/Laboratory Fees
Course Materials Fees are established to recover the costs of materials to be consumed, retained or used by the students, the special costs associated with use of University-owned tools, musical instruments, or other equipment, or the cost of other materials or services necessary to provide a special supplemental educational experience of direct benefit to the student. Classes with assessed fees are noted in the Schedule of Classes.

Below is a sampling of departments with approval to charge for instructional materials or laboratory supplies:

- Anthropology
- Bioengineering
- Division of Biological Sciences
- Chemical Engineering
- Chemistry and Biochemistry
- Computing and the Arts
- Electrical and Computer Engineering
- Mechanical and Aerospace Engineering
- Music
- Physics
- Theater and Dance
- Visual Arts

**Technology Support and Services**

Information regarding email accounts, Canvas course sites, computer labs on campus, printing services, wireless service, and equipment checkout can be found at [https://students.ucsd.edu/campus-services/technology/index.html](https://students.ucsd.edu/campus-services/technology/index.html).

**Bookstore**

The [Bookstore](https://students.ucsd.edu/campus-services/bookstore) is an academic resource for the students, faculty, staff, and guests of the University. It is located in the center of campus in the Price Center. For more information call (858) 534-7326.

**Campus ID Cards**

All students enrolled/registered for Summer Session are entitled to a UC San Diego Student ID card. Your Student ID card serves as your official photo ID, and gives you access to campus buildings, events, dining halls, recreation facilities, UCSD shuttles. Your Student ID card also give you discounts on attractions and events. Visit the [Campus Cards Office website](https://students.ucsd.edu/campus-services/cards-office) for instructions on how to submit your photo and get your Student ID.

**Career Services Center**

[The UC San Diego Career Services Center](https://students.ucsd.edu/campus-services/career-services) offers a variety of services to help our students determine and fulfill their career goals. The UC San Diego Career Services Center is located on the west-side of Library Walk, southwest of the Price Center. Students can access [Handshake](https://students.ucsd.edu/campus-services/handshake), a centralized online job listing database for off-campus jobs, internships, volunteer opportunities and on-campus jobs (including work-study). Departments can hire students over the summer in conjunction with the UC San Diego Career Services Center.

**Food Service**

Food service is available at several on-campus cafeterias and snack bars. Please visit the Housing, Dining and Hospitality website for a current listing.

In addition, the Cecil and Ida Green Faculty Club, located just east of the Muir campus, provide a lively atmosphere for faculty and staff to exchange new ideas or simply enjoy a tasty meal. Non-members may be issued a temporary card by declaring their Summer Session status. Payment for meals is made by cash, credit card or Dining Dollars. For additional information call (858) 534-0876.

**Housing**

Housing on or near campus is available to faculty and students. Visit the Housing Resources webpage or call (858) 822-4987. The Off-campus Housing website offers information and listings on homes and apartments to rent in the surrounding community.

**Insurance Programs**

Insurance programs continue in the summer for faculty enrolled in the University of California health and life insurance programs during the Fall, Winter, and Spring quarters. International visitors and those who are not members are encouraged to seek health insurance coverage during the summer. Contact UC San Diego Human Resources Employment Insurance (858) 534-2816.
Library
To reserve classroom materials or for more information, call (858) 534-3336. The libraries are closed on university holidays (July 4). Visit the Libraries website for more information.

Media Services
Media Center services are in general use classrooms and lecture halls. Self-serve Media Stations use the Smart Media Box which includes controls for the computer/video projector, DVD/CD/VCR combo, audio system, and wireless and wired microphones. Laptop computers can be connected to the system with VGA audio and network cables. For more information, call (858) 534-8265.

Office of Students with Disabilities (OSD)
UC San Diego students with documented learning, physical, and psychological disabilities, as well as chronic health conditions and temporary disabilities may be eligible to receive accommodations such as note-taking, extended test time, sign language interpreting, alternative formats, etc. The OSD is responsible for reviewing documentation and determining reasonable accommodations.

If a student requests accommodations, modifications, or adjustments for your course, the student must present you with an Authorization for Accommodation (AFA) letter from the OSD for the specified quarter or period of study. If the student does not have an AFA letter, please refer the student to the OSD.

If you have a syllabus for your course, the OSD encourages you to provide a statement regarding requests for accommodations due to a disability. Language may be found on the OSD website.

Parking and Transportation Services
Flexible parking options are available through the Park Mobile app, or purchase a daily permit through the UC San Diego parking portal. For more information, visit the UCSD Transportation Services website.

Price Center
The Price Center is located south of the Geisel Library and provides many resources and services for faculty. The center offers several fast food restaurants, coffee shops, salon, bank, meeting space, Box Office, UC San Diego Bookstore, Target, and Amazon Package Center. Outdoor seating is available.

Recreation
Recreational opportunities are available at the Recreation, Intramural and Athletics Complex (RIMAC). Other sports facilities at UC San Diego are scheduled for use by recreation programs and for unstructured open recreation. These include two gymnasiums, multipurpose rooms, exercise rooms, sauna, hot tub, tennis courts, indoor rock climbing facilities, sand volley ball courts, weight training rooms, a 25-yard indoor pool, two 50-meter outdoor pools, competitive diving facilities, an all-weather track and field stadium, and track and cross-country fields. Remote recreation activities are also available at https://recreation.ucsd.edu/.

Student Health Services (SHS)
Student Health Services (SHS) is located in the center of campus, just west of Library Walk and the Price Center Bookstore. All students paying registration fees have access to SHS. SHS provides quality primary medical care, including urgent care and support services such as laboratory, pharmacy, and x-ray. For more information, please call (858) 534-3300.

Academic Integrity
Students are expected to act in ways at all times to ensure that the academic learning experience for themselves and each other will be honest, respectful, fair, responsible, and trustworthy. Students should review the academic integrity tips for students. Additionally, all UC San Diego undergraduate students are asked to complete the Integrity Tutorial. The Academic Integrity office has opened the Triton Testing Center (TTC) to support students who need to take paper-based tests outside the time and space constraints of the classroom. For more information, please visit the Academic Integrity website.

Teaching + Learning Commons
Summer Session tutoring is available at the Teaching + Learning Commons. The Teaching + Learning Commons is located on the first level of Geisel Library. Check the website for schedules at commons.ucsd.edu. You can also find strategies for success in a remote learning environment at https://digitallearning.ucsd.edu/learners/learning-remotely/index.html.

Summer Success Programs
Summer Success Programs (SSP) are developed for freshmen, sophomore, and transfer students to improve their time-to degree at UC San Diego. These programs aim to jumpstart student success with enrollment in popular courses offered in a structured and supportive learning environment. The learning outcomes and program components are designed by UC San Diego academic departments. Examples: Summer Bridge, PATH, Summer Engineering Institute

For information about SSPs, refer to the Summer Success Programs Overview.

If you have questions regarding Summer Success Programs, please contact the Special Programs Manager, at summer-programs@ucsd.edu.

Global Seminars Overview

Note: 2023 Global Seminars are scheduled to run but circumstances are subject to change

UC San Diego Global Seminars are five-week long summer study abroad experiences led by a UCSD professor. Students enroll in a package of two courses for a total of eight UCSD quarter units. Class sizes are between 15–28 students, so there are excellent opportunities for one-on-one interaction with some of the best faculty at UCSD. All courses are taught in English.

The Global Seminar programs are created and managed by Study Abroad, which is part of UC San Diego Global Education. Study Abroad manages all aspects of Global Seminars such as contract negotiations, processing of liability waivers, purchasing of international travel insurance, student recruitment via Info Sessions, etc.

Global Education and Study Abroad work with faculty on course and program development, and ensure all international travel paperwork is in place prior to students, staff (when applicable) and faculty going abroad. Review of proposed courses by advisory committee is two years in advance of the program offering.

Steps for Faculty Who Want to Teach a Global Seminar
Faculty who are interested in teaching a Global Seminar should begin the process by contacting Global Education and their Department Chair to discuss details of the program. Global Seminar programs take 1.5 years to prepare. Global Education sends out a call for proposals in April for the following summer.

2023 Global Seminars have already been approved.
April 2023 – Faculty Proposals are due for Summer 2024 Global Seminars.

Instructions on how faculty can submit a Global Seminar proposal are on the Study Abroad website: https://studyabroad.ucsd.edu/faculty/global-seminars.html#faculty-proposal

Faculty Proposals must include the following items:
1. Cover letter
2. Both course syllabi or course descriptions
3. List of excursions
4. Course Information Form
5. Department Approval Form
6. College Approval Form (If teaching a College core course.)
7. Faculty Information Form
8. Course Compliance Form
9. Curriculum Vitae (CV)

Faculty Compensation for Global Seminar Appointments
• Faculty are compensated at the standard Summer Session rate of 8.5% annual salary per course, and they are required to teach two 4-unit courses in one session. For ladder-rank faculty, LSOE, and LPSOE, payment will need to be spread over two months (cannot exceed 1/9th annual salary per month). Per AP policy, recall faculty can receive a maximum of 14.3% annual salary spread over 3 months (43% of 1/9th annual salary per month × 3 months.)

• If the program has previously been taught and the enrollment is less than 15 students, the program may be cancelled.

• The relevant compensation policies for Summer Session teaching are set forth in Academic Personnel Manual (APM) 661 and APM 662 and PPM 230-43.
Department Steps

There are several general steps departments should follow to ensure a Global Seminar program can be offered during Summer Session:

1. Courses must be approved by Academic Senate and Department Chair.
2. Department should submit a course proposal for Global Seminar courses along with their regular Summer Session courses to Summer Session by November 15, 2022. This will ensure courses are added to the Schedule of Classes on TritonLink.
3. Departments will follow standard Summer Session procedures for Global Seminar faculty.
   - Submit appointment files for any Emeriti (recall) faculty teaching Global Seminar courses.
   - Enter payroll in UCPath for all department faculty teaching Global Seminars.
4. Departments will preauthorize students to enroll in Global Seminar courses.

• Summer Session serves as liaison with central administrative offices such as CBO, Vice Chancellor office, Student Business Services, General Accounting, and Office of the Registrar.

• Once the program fee is approved, Summer Session will coordinate with Office of the Registrar to ensure the program fee is posted to the Schedule of Classes on TritonLink and attached to the course enrollment.

• Both the tuition and program fees will be assessed together onto student accounts.

Student Payments

Deposits
Students may be required to submit a $250 non-refundable deposit payment prior to enrollment. Global Education must create deposit headers for all deposits received. This process is required to allow the student accounts to accept the deposits and ensure payment is credited to Global Education.

(For the deposit header, do not enter a minimum balance or release date. Neither is necessary due an automatic application of payments after Global Seminar program fees assessment.)

Once Summer tuition and program fee assessment occurs in individual student accounts, the deposits will automatically release into the student accounts to offset a portion of the $500 Administrative Fee. This action will essentially move funds from the clearing account and into the department account.

Student Enrollment and Payment

1. Student applies to Global Seminar program.
2. Student is accepted.
3. Student pays the deposit to Global Education/Study Abroad.
4. Global Education/Study Abroad updates the student records by creating deposit headers.
5. Departments will pre-authorize students to enroll in the courses.
6. Once enrollment opens for Summer in mid-April, the preauthorized students may enroll.
7. Students must pay the Summer tuition and program fee balance on their accounts before billing due date.
8. Summer Session communicates with Global Education/Study Abroad prior to program departure if there are open student balances.

Travel Study Overview

Travel Study programs are UC San Diego faculty-led programs that allow students to experience field research techniques domestically or internationally in a hands-on environment. Field Planner review and approval from Risk Management

The academic department and faculty coordinate with Global Education to create and administer Travel Study programs. All Travel Study programs must contain the components listed below:

- Trip itinerary and arrangements
- Contract negotiations (transportation, accommodations, tours, etc.)
- Program application and promotional materials
- Student Handbook (transportation, accommodations, safety protocols, emergency contacts, etc.)
- Student Recruitment
- Processing of liability waivers
- Purchasing International travel insurance
- Adhering to all campus policies (risk management, contracts and procurement, travel rules, AP policy, etc.)

Courses

Courses in Travel Study programs must be approved by the Academic Senate, endorsed by the Department Chair, and submitted to Summer Session in the ISA for approval.

Students

Students are required to enroll in one or two courses as required by the program. Students may have the option to enroll in independent studies to increase the total number of units to a maximum of 12.

In addition to Summer Session tuition and campus-based fees, students participating in Travel Study programs are assessed additional program fees. The Campus Budget Office must approve Travel Study program fees.

Students may be required to submit a deposit payment of the Travel Study program fee prior to enrolling in courses. Students can pay deposits as check payments, which departments should send to the Central Cashier’s Office. Students are still responsible for paying the standard Summer Session tuition and campus-based fees once those charges post to their student accounts.

Faculty

Travel Study Faculty are compensated following the standard Summer Session compensation model of 8.5% annual salary per 4-unit course. All UC San Diego Academic Personnel policies and restrictions apply. See the Faculty Compensation section for details.

Graduate Students as Staff Volunteers

Some programs may have a graduate student serve as an “unofficial chaperone,” accompanying large groups on their travels. The instructor may ask the graduate student to help with undergraduate students in various capacities required for travel (ex: help students change money, making international calls, communicate with local guides, or assist with cultural differences between American students and locals). Due to the risks and liabilities involved, all graduate students accompanying Travel Study groups will officially be appointed as Staff Volunteers and registered for the University’s travel insurance.

Travel Study - Department Checklist

SEPTEMBER/OCTOBER – Planning your Travel Study Program(s)
- Facilitate conversations between faculty, department admin and department Chair.
- Faculty should finalize course concept and get Department Chair endorsement.

NOVEMBER – Propose Courses, Complete Program Documentation & Required Form
- Submit Travel Study courses to Summer Session for approval.
  These courses should be part of your Summer Session Schedule Build that contains all the courses your department is proposing for Summer 2023.
- Complete your Travel Study packet for Global Education to review and approve. It should include the following:
  1. **Program Fee Proposal Form**, which is an Excel file that can be found here:
     The Program Fee Proposal Form Excel file has 3 Worksheets:
     - Worksheet 1 - Program Fee Form with Department Chair signature. (Exhibit A)
     - Worksheet 2 - Budget Page with Department Business Officer (formerly “MSO”) signature. (Exhibit B)
     - The Budget Page outlines the process to create a Program Fee.
     - Summer Session pays the faculty salary to teach a Travel Study program. The students via a Program Fee pay all other faculty costs for the Travel Study trip.
     - The Faculty Costs portion of the program fee should include the total cost to accommodate the faculty. That total cost is divided by the projected number of students enrolled to determine a per student cost.
     - The Faculty Costs - Per Diem line item is not the official per diem rate for university business travel. Instead, accurate projections for faculty transportation, meals, accommodations and any other trip costs should be included. The goal is to keep program fees as low as possible for students, while accurately projecting the cost of the program.
     - Worksheet 3 – Instructions on how to complete Exhibits A and B.
     Refer to Special Program Fee Guidelines for Faculty-Led Summer Study Abroad Opportunities:
     [http://blink.ucsd.edu/_files/finance-tab/cbo/ProgramFeeCampusGuidelines-Final-4-21-09.pdf](http://blink.ucsd.edu/_files/finance-tab/cbo/ProgramFeeCampusGuidelines-Final-4-21-09.pdf)
  2. **Field Operational Planner** – There are two different versions, depending on whether your Travel Study program is domestic or International.
     **Domestic Travel Study Programs:**
     a) Complete the online Field Operation Planner here: [http://blink.ucsd.edu/sponsor/EHS/forms-ehs/domestic-fop.html](http://blink.ucsd.edu/sponsor/EHS/forms-ehs/domestic-fop.html)
     b) Risk Management will respond to the Field Operation Planner via email. Please forward that email to Summer Session.
International Travel Study Programs:
  a) Download the PDF Field Operational Planner here:
  b) Submit the completed Field Operational Planner to an EH&S Field Safety coordinator
     (ehsrisk@ucsd.edu or gensafety@ucsd.edu) for review.
  c) Forward the response from Risk Management to Summer Session.

More information on the Field Operational Planner can be found at:
http://blink.ucsd.edu/safety/risk/field-safety-plan.html#UC-San-Diego-contacts-and-resou

3. **Student Handbook** - Include the information below.
   - Program outline and Schedule
   - Course Syllabus
   - Accommodations & Dining
   - Transportation
   - Medical Facilities, Health Insurance Info, etc.
   - Safety Precautions
   - Packing Recommendations – Money, Clothing, Suggested Items
   - Drafts of Student Forms:
     o Program application
     o Waiver of liability
     o Agreement to release Dept.
     o Physician’s medical exam
     o Student payment agreement for program fee and tuition

4. **Vendor contracts** (if applicable)
   Submit any vendor contracts to Procurement for review and approval.
   https://blink.ucsd.edu/sponsor/BFS/divisions/ipps/procurement-contracts/index.html

5. **Staff Volunteer Appointment Form** (if applicable)
   A Staff Volunteer Appointment Form is required for any individual who will accompany faculty and students on the trip.
   http://www-hr.ucsd.edu/qwl/policies/pdf/sp3vol.pdf

**DECEMBER** – Course Approvals & Student Recruitment
- Verify course approvals (coordinate with Summer Session)
- Begin recruiting students.
  - Complete course syllabus, trip itinerary, and student program application (pending program fee approval by CBO)
  - Consider using: Info Sessions, Website, Advising

**JANUARY** – More Student Recruitment
- Continue recruiting students.
  *Global Education routes final Program Fee Proposal Form to Dean of Undergraduate Education (DUE) for approval.*
FEBRUARY – Prepare for Student Payments
- Create detail code (new programs only)
  - Request detail code setup with Student Business Services (SBS)
    - Confirm fund & acct info with General Accounting Office
    - Instructions on how to create an ISIS Detail Code can be found at:
      http://blink.ucsd.edu/finance/accounting/accounts-receivable/detail-code.html
- Create deposit header codes (new programs only)
  - Contact Central Cashier to create deposit header code
- Establish and collect program prepayment from students
  - Students pay via check at Cashier’s Office
  
  *Global Education will route Program Fee Proposal Form to Campus Budget Office (CBO) after DUE approval.*
  
  **Deadline:** February 24, 2023.

MARCH – Fee Approval & Faculty Training
- Training program for faculty conducting fieldwork (i.e.: emergency protocol, student management while off campus, etc.)
  - Work with Global Education/Study Abroad to create training session (optional)
  
  *CBO approves Program Fee by end of March.*

APRIL – Students Enroll & Pay
- Preauthorize students for course(s)
- Remind students to enroll in the course(s)
  
  *CBO will notify department of Fee Approval*
  
  *Registrar will attach and post program fee to the course*
  
  *Students pay program fee via check to Cashier’s Office*

MAY – Financial Aid
- Financial Aid disbursements begin.
- Ensure vendor payments are made according to contract.

JUNE – Audit Tuition Payments
- Audit and confirm student tuition payments

JULY - SEPTEMBER – CAPES and Program Audit
- Ensure students complete course evaluations (CAPE and/or Dept. evaluation)
- Audit payments and expenses for the program

*Note: 2023 Global Seminars are scheduled to run but circumstances are subject to change*

2022 Review

Summer Success Programs (SSPs) are institutional, academic programs specifically designed to advance students’ educational success at UC San Diego. SSPs provide high-touch programming for selected incoming freshman, rising sophomores, and transfer students with a focus on academic achievement, retention, and time-to-degree. Please contact the Special Programs Manager for more information, summer-programs@ucsd.edu.

Enrollment and Registration require oversight to meet deadlines.

Three Summer Success Programs were offered in 2022:

• PATH Summer Academy
• Summer Bridge
• Summer Engineering Institute

Summer Success Programs – Administrative Structure

Summer Success Programs enlist service units from across the campus to offer UC San Diego credit courses in a structured and supportive learning environment.
1. After admission to UC San Diego, students that meet specific criteria are invited to apply to Summer Success Programs. (Criteria vary by SSP.)
2. Students complete an online SSP application.
3. SSP leadership review the applications and select program participants.
4. Students enroll in specific Summer Session courses that are part of their SSP.
5. Some SSPs provide partial or full student scholarships. Scholarships are processed through the Financial Aid office.
6. Housing & Dining contracts with each program to provide summer housing for the SSP students.
7. SSPs support their students via program staff, the Teaching + Learning Commons, and/or OASIS.

Department Responsibilities for Summer Success Programs (SSPs)

1. Submit SSP Courses to Summer Session
   All SSP courses/classes must be scheduled in the same manner in which standard Summer Session courses are scheduled. (See the Courses Section for more details on scheduling Summer Session courses.)
   - Courses must be approved by the Academic Senate.
   - Courses are managed the same as all Summer Session courses listed on the Schedule of Classes.
   - The Summer Session Special Programs Manager, will work with SSPs and academic departments to align enrollment procedures with Registrar campus policies as students are accepted into the Summer Success Programs.
     - In some cases, enrollment may be managed by the EASy preauthorization process to limit which students are enrolled to offer a course as open enrollment (any student can enroll) or closed enrollment (restricted enrollment).

2. Instructor Hiring and Payroll
   Instructors teaching credit-bearing courses during the summer will receive compensation consistent with standard Summer Session policies. See the Faculty section for more details on standard Summer Session compensation.
   In addition to the standard Summer Session course salary, a Success Bonus of $500 per week is paid to instructors of courses that are part of a Summer Success Program. (Pending for 2023)
   - The Success Bonus requires faculty to perform additional responsibilities for the program.
   - Specific duties vary by SSP. Additional services can include participation in orientation and closing sessions, workgroups, tutoring sessions, team meetings, group sessions, or mentor training,
   - Program assessment reporting for each course is required by all SSP faculty.

3. Hiring Instructional Support: TAs, Tutors, Readers, Mentors
   Academic departments are responsible for hiring the instructional support for SSP courses. The standard Summer Session TA allocation model also applies for SSP courses. See the Instructional Support section for more details.
   If a Summer Success Program requires additional instructional support for their courses, the expense beyond the standard Summer Session TA allocation will be paid by the SSP.

For more information about Summer Success Programs, see https://summersession.ucsd.edu/success/ssp/index.html.
For questions about the administrative aspects of Summer Success Programs, please contact the Special Programs Manager, at summer-programs@ucsd.edu.
UC San Diego Summer Session is proud to have offered its 51st year of rich academic program for incoming, continuing, and visiting students.

Summer Session collaborates with academic departments and campus student services to ensure a wide selection of courses is offered during optimally scheduled times and in appropriate campus classrooms.

Students enjoy a small-campus environment while completing courses required for graduation, enriching their education by exploring new subjects, or making up course deficiencies. Most students enjoy the accelerated pace, evaluate the faculty positively on CAPEs, and expect to graduate in a timely manner.

Summer Session 2022 concluded with 14,000 students and 35,000 enrollments in over 800 courses from more than 40 departments and programs. Summer students use WebReg (TritonLink) to enroll in courses. Non-UCSD students used the online application through the Summer Session website to obtain enrollment access to WebReg.

Remote and In-Person Instruction for Summer Session 2022
Due to the lingering impact of the Covid-19 pandemic, Summer Session 2022 offered both in-person and remote courses. 55% of Summer Session courses were offered remotely, and 45% of Summer Session courses were held in-person. The result was slightly lower enrollments than summer 2021, likely because there were fewer remote courses offered. We continue to hear from students that remote courses are desirable, and our enrollment data supports that position.

Summer Session Staff continued with a hybrid schedule, working remotely, off campus. Zoom allowed for continued collaboration with other campus units and general questions from staff and students.

2022 Summer Programs

Summer Success Programs
Summer Success Programs (SSP) are institutional programs for pre-matriculated incoming UC San Diego students in the fall quarter. For Summer 2022, there were three Summer Success Programs that provided students with an opportunity for academic and social experiences.

PATH Summer Academy – Academic transition for transfer students with Arts & Humanities majors from San Diego Community College Districts to UC San Diego.

Summer Bridge – Summer Bridge 2022 offered a combination of remote and in-person events. The program served 750 incoming first-year students. Student took 2 courses from the following list:
- MATH 2, MATH 3C, MATH 4C (6 weeks - Special Session)
- ANTH 2, AWP 10, EDS 25, CHEM 6A, MATH 10A, MATH 10B, MATH 20A, MATH 20B, TDGE 1, SOC 1 (5 weeks - Session 2)

Summer Engineering Institute – Early start program for incoming first-year engineering majors.

For more information about Summer Success Programs, please see the Summer Session website.
Study Abroad
Global Seminars and Travel Study programs were able to travel Internationally and domestically in summer 2022. Travel was prohibited in summer 2020 and summer 2021 due to Covid-19 restrictions. Travel was back in full force for summer 2022 with 16 Global Seminars, the CARTA Anthropogeny graduate field school, and an embedded travel study to the Mediterranean offered by the Anthropology department between Summer Session Fall Quarter.

Service Now
The Summer Session office continued using the ServiceNow system to enhance our student support.
- Email sent to summer@ucsd.edu automatically creates a ticket in ServiceNow.
- Tickets can be easily routed to our campus partners, providing more transparency and streamlined service for our students.
- Using templates has helped to facilitate consistency in responses from office staff with faster turnaround times.

Summer Scoop
The Summer Scoop was redesigned using the My Emma tool. The weekly newsletter to our campus faculty and staff keeps them apprised of Summer Session-related updates, reminders, trainings, and deadlines. Sign-up to receive the Summer Scoop here.

Campus Services
Housing was available to students taking Summer Session courses, and more campus services were offered in-person for Summer Session students.

The Teaching + Learning Commons offers year-round services for students and faculty. To help the campus navigate remote instruction, The Teaching + Learning Commons created resources and strategies for faculty at https://keepteaching.ucsd.edu/, and students at https://digitallearning.ucsd.edu/learners/learning-remotely/index.html.

Course Scheduling
About 55% of Summer Session Courses were delivered remotely (either synchronously or asynchronously), and 45% of Summer Session courses were held in-person. Courses were still scheduled during the standard teaching times.

Success Managing Waitlists
Departments found success managing Summer Session 2022 waitlists by communicating to students whether or not additional sections of waitlisted classes would be added to the Schedule of Classes. Summer Session recommends that departments follow the same communication strategy for 2023. Summer Session 2020 had a record-high 8,316 students on waitlists. Using the communication strategy with students, departments reduced the waitlists to 4,293 students in 2021 and 5,206 students in 2022.
