Wanted - Summer Session Associate-In

Applications

Summer Session is expecting over 200 graduate students to teach classes this summer. 158 Associate-In applications have already been submitted by departments in the IA System - THANK YOU! That means we still need about 50 more applications, and the Graduate Division deadlines are fast approaching. Please submit any remaining Associate-In applications ASAP to ensure timely processing. Click here for the campaign link and other helpful information.

Associate-In application must be received by Graduate Division in the IA System by:
May 16th - Upper-division courses
May 23rd - Lower-division courses

Questions? Submit a ticket to the Graduate Student Employment team at Services & Support.
