| Session 1                  | BIEB 137GS | Sea Turtle Eco/Conservation                      | 891709     | Holway, David A.        |                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Session 1                  | BILD 60GS  | DEI in Bio & Global Contexts                     | 892818     | Lo, Stanley M.          |                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Session 1                  | BICD 100R  | Genetics                                         | 892820     | Smith, Laurie           | This is a fully remote class with no in-person activities. Lectures will be asynchronous (students will utilize recorded lecture videos). Discussion sections will be held synchronously online, but students may participate in any section (does not have to be the one you are enrolled in). Exams will be also be held synchronously online: students must take both midterms and the final exam at the times shown. |
| Session 1                  | BICD 100R  | Genetics                                         | 892821     | Smith, Laurie           |                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Session 2                          | BICD 100R | Genetics                             | 894359 | Smith, Laurie               | This is a fully remote class with no in-person activities. Lectures will be asynchronous (students will utilize recorded lecture videos). Discussion sections will be held synchronously online, but students may participate in any section (does not have to be the one you are enrolled in). Exams will be also be held synchronously online: students must take both midterms and the final exam at the times shown. |
| Session 2                          | BICD 100R | Genetics                             | 894365 | Smith, Laurie               |                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Session 2                          | BICD 100R | Genetics                             | 894366 | Smith, Laurie               |                                                                                                                                                                                                                                                                                                                                                                                                                          |
