

Summer Scoop

Week of April 15 - April 19, 2024

Enrollment for Summer starts today for current students!

New incoming and visiting students will begin enrollment on April 22, 2024.

Wanted: Remote Course Offerings!

It is important to consider offering more remote courses during the upcoming summer terms to accommodate students who cannot physically be present in San Diego. This will ensure that students can make progress towards their academic goals, regardless of their location. Your cooperation in this regard is greatly appreciated.

Please review and submit any changes to course modality as soon as possible. The Schedule of Classes is now live and students will begin enrollment on April 15th.

Please email the scheduling office at registrar-scheduling@ucsd.edu to change course modality.

EASy Open for Preauthorizations

Students can now submit preauthorization requests for Summer Session classes in the Enrollment Authorization System (EASy) <http://easy.ucsd.edu/>.

Students will likely submit requests before enrollment opens. You can visit the Summer Session website for an overview of the request process - <https://summersession.ucsd.edu/enroll/pre-authorization.html>.

Visiting Students cannot enter preauthorization requests until they have PIDs. Enrollment for new and visiting students will begin April 22, 2024, the application will be posted on our [website](#).

Guide on Managing Course Changes

Thank you for your participation in Summer Session 2024. We know there will be changes to the schedule between now and the start of summer, so we updated the [Guide on Managing Course Changes](#) on the Summer Session website. This guide has useful information as you navigate changing modality, instructor names, session of a class, adding new classes, cancellations, etc. Students are anxious about the modality of instruction of Summer Session courses. 75% of students are requesting Remote Instruction.

The ISA is still open for changes for adding or canceling classes and modality.
