Wanted: Remote Course Offerings!

It is important to consider offering more remote courses during the upcoming summer terms to accommodate students who cannot physically be present in San Diego. This will ensure that students can make progress towards their academic goals, regardless of their location. Your cooperation in this regard is greatly appreciated.

Please review and submit any changes to course modality as soon as possible. The Schedule of Classes is now live and students began enrollment on April 15th.

Please email the scheduling office at registrar-scheduling@ucsd.edu to change course modality.

Guide on Managing Course Changes

Course scheduling reminder: now that enrollment has begun, courses changes will need to be canceled when students are enrolled in the course. Please email the [Registrar Scheduling Office](#) to confirm the best way to manage changes.

We know there will be changes to the schedule between now and the start of summer, so we updated the [Guide on Managing Course Changes](#) on the Summer Session website. This guide has useful information as you navigate changing modality, instructor names, session of a class, adding new classes, cancellations, etc. Students are anxious about the modality of instruction of Summer Session courses. 75% of students are requesting Remote Instruction.

The ISA is still open for changes for adding or canceling classes and modality.
