## Summer Session Enrollment

Enrollment for Summer is now open for everyone! We encourage each department to promote its summer courses to all students so they can take advantage of the upcoming opportunities.

### **\*\*UPDATE for Incoming Students Enrollment\*\***

Due to TSS integration, incoming students must accept their admissions and then set up their TSN first before completing the Summer Session Application. The Summer Application will prompt them to set up their PID in order to register via WebReg. More information can be found here: [Incoming Student Enrollment Steps](#).

### **How to promote your summer offerings:**

- **Update** your website with the latest summer course listings.
- **Email** students highlighting the benefits and prerequisites of each course.
- **Share** on social media using your department's official channels and relevant hashtags, tag [@ucsdsummer](#).

## Waitlist Management

With more than 2,000 students on the waitlist after just one week of registration, we are asking departments to review their waitlist procedures and consider options for managing these high-enrollment courses. Summer Session will be reaching out to departments with large waitlists to discuss options for managing the waitlist.

To support this effort, our office has prepared a guide that helps departments develop best practice strategies for waitlist management. You can find that on our website: [Waitlist Management Tips](#)

### **Courses taught in-person**

1. Request a larger classroom directly with the Registrar.
  - If the course is scheduled in a general use classroom (Registrar) – an increase of 10% is allowed without notice
  - If the course is scheduled in departmental space, an increase is allowed without notice.

2. Add additional sections of the course in ISA (Instructional Scheduling Assistant).
3. Add more courses of related interest in ISA.

### **Courses taught Remote**

1. Increase the enrollment limit in ISIS (Integrated Student Information System).
2. Add additional sections of the course in ISA.
3. Add more courses of related interest in ISA.

## **Summer Session 2026 Associate In Campaign**

Summer 2026 Associate Instructor Campaign is now open!

All Associate Instructor (teaching a course) requests must be submitted through the IA System. Incomplete files will be returned in the IA System.

### **Campaign Link:**

### **Deadlines**

Upper-Division requests for Summer must be RECEIVED by GEPA by **Monday, May 18, 2026.**

Lower-Division requests for Summer must be RECEIVED by GEPA by **Tuesday, May 26, 2026.**

*\*Please note, late upper-division requests that are not submitted at least 4 weeks prior to the start of the term (by Monday, June 1, 2026) require an exception request that will route to EPC as per Academic Senate guidelines.*

We are expecting a lot of applications for summer 2026, so please make sure to give GEPA plenty of time to review your applications. Also, remember to allow extra time in case edits are needed. For more information, please refer to [Call letter for Summer 2026 Associate Instructors](#) on our website.
